Plan for a churchwide study of the Home Missions theme—

The Association

Specially prepared study books provide background material on the Association for all age groups.

The suggested study plan, a simulation of an Annual Association Meeting, would bring direct focus on events and plans of our Carolina Association.

To help teachers and leaders prepare, we will have a Workshop to share material on our Association and discuss its work.

SUNDAY SCHOOL

I want to recommend the new Sunday School study books that have just been released by the Sunday School Board. This series is called the "Basic Sunday School Work Series."

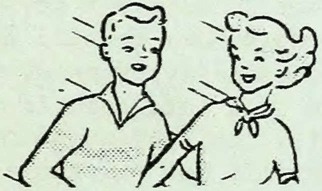
Basic Sunday School Work, written by Harry Piland, is a book for Sunday School Directors and Pastors. Basic Adult Sunday School Work, by Larry Shotwell, is for Adult workers. Basic Youth Work, by Myrtle Veach, is for Youth workers. Basic Children's Work, by Elsie Rivers, is the study for Children's workers and Basic Preschool Sunday School Work for Preschool workers.

These books are what they claim to be - "Basic" books for getting the job of Teaching the Bible to all ages. September 14-15 is the date that has been set to teach these books in the Association.

I will be teaching the book, Basic Sunday School Work by Harry Piland, the four Mondays of March from 4:00 p.m. to 5:30 p.m. at Main Street Baptist Church. If your Director or Pastor would like to learn more about Sunday School work, I invite you to give me a call about joining us for this study.

--- Allen B. Jewett, Associational Sunday School Director

YOUTH



It's about time you heard from me. I guess you have been wondering what is happening with the Youth work in our Association.

The first and most important meeting will be held Thursday, February 12 at 7:30 p.m. in the Association Office.

We would like to see one adult representative from each church who have a commitment to carrying out Youth Ministry. We would also like to meet with one youth from your church to assist in the Youth Council Planning. Several churches have responded to the request of Steve Matthews and Robert Kincaid for names of adult and youth representatives. We are looking forward to meeting with these representatives and representatives from other churches at this Youth Ministry Planning Meeting.

WMU FOCUS WEEK

February 8-14

Let us remind you to check your JFM issue of Dimension Magazine pages 1-5, 23 for plans for the Week of Prayer for Home Missions, March 1-8. On pages 6-7 you will find clever ideas on promoting your mission study. Do have this book study. Council members should be readying themselves to help you on this vitally important book. It should help us understand better how we do our cooperative work in Carolina Baptist Association. The News Clips, pages 8-9 will give excellent insight on the life of Annie Armstrong. Use these for bulletins, mailouts, posters, spot announcements, et cetera.

Again this year we urge you to have the Christian Family Management Seminar. See pages 14-15 for aids.

WMU Directors, check pages 29-32 and pages 10-13 for guides in your planning for this quarter. Use the test on the Cooperative Program page 27. We suggest your pastor might like you to use this test in a prayer service or in other ways to get it before the entire church. Here again the 95 Shocking Facts could change your church's concept on mission education. Age-level Directors read your section. If you are looking for ways to conduct your people in mission action projects note Miss Connell's Seminar listed in this Newsletter.

I would, personally, urge every pastor and every WMU member, use the six steps to a life-changing commitment that you will find on page 32. Pages 20-21 could bring about some personal growth for us all.

Bobbie Sorrill has written a book that every pastor, staff member, and WMU woman will want to read. You may obtain this book, WMU - A Church Missions Organization, from the Baptist Book Store of your choice.

Be sure to make reservations for Ridgecrest February 1. So much is offered in the afternoons and evenings to enrich your growth as a Christian.

Remember WMU Calling Tea February 8 at Shaws Creek Baptist Church. Check age-level dates for meetings also. If need be, call us.

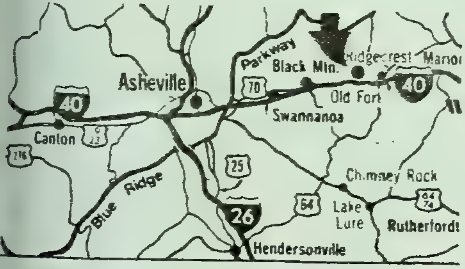
MISSION ACTION

I hope that each of you had a Happy Holiday Season and are eagerly looking forward to 1981. In September at our workshop an interest was expressed that we get together after the first of the year and decide on some activities. Now is your chance - DATE - February 19, 1981. - - TIME - 7:00 p.m. - - PLACE - Associational Office. Give this meeting some thought and bring your suggestions with you. It is hoped the Mission Action Director of each church will attend or anyone serving in that capacity. If you too are interested in mission activity won't you come and join us.

- - - - Barbara Jean Connell, WMU Mission Action Director

Church Training

Two of our Church Training leaders will be going to Camp Caraway on February 11-13 to train to be Special Workers for the State Church Training Department. They are Liz Weir, Associational Church Training Director, and Marie Blackwell, Associational Church Training Children's Director.



"24 Hours at Ridgecrest"

"24 Hours at Ridgecrest" for Pastors and their Wives, February 16-17, will provide an opportunity to "get away from it all" and spend time in Bible study, fellowship and inspiration at a reasonable cost. Make reservations with James Lambert, 305 Spring St., Boone, NC 28607

Baptist State Convention of North Carolina
General Baptist State Convention of North Carolina, Inc.

"BEING AN ASSOCIATION"

Presenting the gospel to every person in our Associational area is a tremendous challenge but it is the commission of our Lord. The 1982 Joint Evangelistic Crusade is an opportunity to carry out this commission.

This crusade began as a dream, about two years ago, that every person in North Carolina would have an opportunity to accept Christ as their personal Savior. The General Convention of Black Churches and the Baptist State Convention of North Carolina are working together to accomplish this goal.

The meeting at the Star of Bethel Baptist Church is to provide information on how each church can reach their own area. Every church is urged to bring the following leaders: Pastor, Music Director, Chairman of Deacons, Sunday School Director, Church Training Director, WMU Director, Brotherhood Director, Associational Executive Committee Representative, and other interested leaders. Please make an effort to come with a group from your church.

---- Ron Pinkerton, Director of Missions

Seminar for Pastors and Keyleaders in Evangelism and Outreach

March 31 9:00 a.m. - 12:00

Associational Office

Dear Friends in Christ,

Perhaps the matter which should claim our attention in March is the "Interpetation Meeting" to be held at the Star of Bethel Baptist Church on Whitted Street, Tuesday, March 17, 1981, at 7:30 p.m. This, of course, will be a meeting with our black brethern in order that we might sit down together and make plans for the joint state-wide crusade of evangelism in 1982. Victor Cole of the Convention staff will be with us for that meeting. Each church is to bring eight or ten of its leaders to the meeting so that the groundwork can get laid for this joint effort. You probably heard Mark Corts speak to this subject while you were attending the state-wide conference on evangelism during the first week of February. The ultimate goal is to reach every person in North Carolina withthe gospel story during this crusade. Plans must be made, prospects must be located, prayer must be encouraged and proclamation of the Word must be done. Through it all, God will be honored and precious souls will be saved and won to Christ.

Our weekly Pastors' conference continues to be a blessing to ministers and pastors of our area. Let me give you a personal invitation to attend each Monday morning at 10:30 a.m. in the Associational office. It is impossible for all of us to attend all of the time, but I hope that you will place this meeting on your schedule as a necessity. The programs are varied, but all of them are a challenge in some way. You do not have to be a pastor of a church to be eligible to attend. If you enjoy Christian fellowship, you will enjoy this meeting!

Praying for the Lord's work is always in order. Through this column let me urge you to pray for your Associational officers, but, more important than that, to pray for your Director of Missions and for his office staff. He continues to be used of the Lord to challenge us in new areas and in new commitments. I know that you will respond to this suggestion. May God bless you.

Sincerely in Christ,
John F. Rymer
Moderator

FUNDS SHORT

The churches voted to operate on a $57,931 budget this year. To meet this budget our receipts for the first 5 months would need to be $24,185 and we have received only $15,894. This has caused us to use all our reserves. Perhaps your church could consider a mid-year increase in gifts to the Association or a special offering to help us catch up.

& RAs in Action

CAMP WORK DAYS: There is a need for men and boys to set aside a date to work on our camp property beginning Saturday, March 14. Churches are responding to this need.

WNC DISASTER RELIEF VAN: A Disaster Relief Crew is needed for the Disaster Relief Van for western North Carolina. Cooks to cook for up to 3000 meals, medical personnel, counselors and others are also needed.

GROWTH The excitement of Baptist Men is growing. There was a 9% overall growth for Baptist Men's work across the state during the past year.

WEST VIRGINIA PROJECT: The challenge of the West Virginia Project - building new churches across the state of West Virginia - has been made to Baptist Men of North Carolina. The Brotherhood Department will be taking reservations for at least four crews of 10 to 12 men for one week beginning the middle of April. Contact Archie Jones, Baptist Men's Director, Baptist State Convention, Releigh,NC 27611, if you are interested. The French Broad Association is planning to go to West Virginia May 16 to finish a church they are working on. They need 8 to 10 Brick masons, to go with them. If you are interested in helping with this project, contact E.J. Jenkins, Director of Missions French Broad Association, P.O. Box 339,Marshall, NC 28753 if you want to help them.

Woman's Missionary Union

A big applause to Shaws Creek ladies for all their work to make our Calling Tea as beautiful as the weather!
Keep in mind, Council members, the fall workshop will be for one day only. More about this later.
Again we urge you to promote the Annie Armstrong Season of Prayer with a theme of "Go Forward!"
We hope, if you have not already had the Mission Possible study in your church, you will have this immediately. It is important that we know what our Carolina Association is doing and what the plans are.

WMU'ers, are you satisfied with the financial growth of your church? Read "Financial Potential" by Hettie Johnson, page 23 AMJ Dimension. Read again the six steps to Life- Changing Commitment, page 22 JFM Dimension.
Prayer is the key that unlocks the power of heaven. Why not try the churchwide Prayer Retreat suggested on page 8-10, AMJ Dimension? Along this line do enlist pray-ers and sign these shut-ins up.
If you have had a successful Missions Night Out send these ideas to Dimension. They are asking for them.
Remember WMU Manuals are changing. The new ones for every age-level should be released by April 1. See blank on page 20 AMJ Dimension.

Directors read your pages 26-30. Secretaries and age-level directors see related sections in AMJ Dimension. Excellent resource guidelines!

WMU is launching a giant enlistment campaign. Be alert to suggestions in all our periodicals. I am very proud of the efforts and reports some of you made in our kick-off during the 10,000 More by November 4 drive.
Onec more I mention the new book by Bobbie Sorrells, WMU-A Church Mission Organization. A book to explain our work for pastors, staff, and church members.
The Bible does not say "Thou Shalt Succeed." God needs us to be available and faithful to the task. I challenge you to do just that.
Remember to wear your International costume to the Friday night session of the Convention in Charlotte.

MIGRANT MINISTRY

The time has come to begin planning for summer 1981 for the thousands of Migrants who will be coming. Without the wonderful contributions of the churches we could not continue. We have already felt inflation in that the price of the Spanish Bibles has advanced from $2.65 to $4.05. We will need Bibles, Health Kits (without razor blades, please), stuffed animals, Spanish tracts and Scripture portions. Winter is a good time to start making the kits, collecting money for the Bibles and Scripture portions and planning for next summer. What better way to put Acts 1:8 into practice?

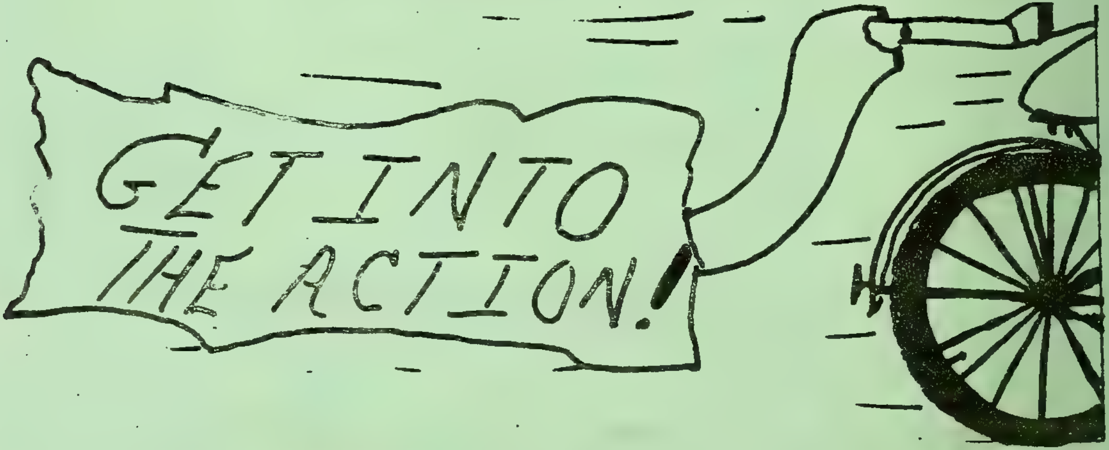
DON'T MISS IT!!!



FUNDS STILL SHORT

The Association still has some bills that are due and not enough finances to pay them. The major item is for our Associational Minutes which were $500.00 more than we paid last year. If your church could take a special offering to help us catch up, this would be most helpful.

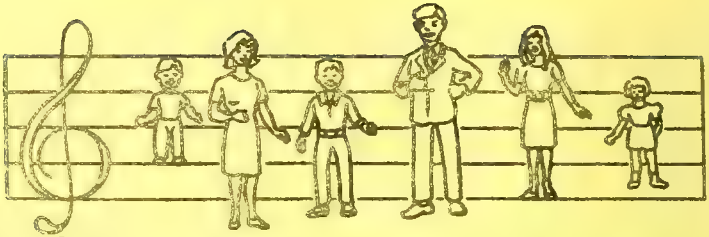
MUSIC



Music is a very vital part of our worship and all our church activities. I thank you for the privilege of serving as your Associational Music Director. There will be several areas that we will be concentrating on in this year and in each one you will a have an opportunity to participate in helping and learning.

One of the areas will be in singing in an associational choir. We have just had one such occasion with our Associational Evangelism Conference. If you did not get in on this, you will have other opportunities. The next opportunity to be a part of this group will be May 17 - 20 with Dr. Jack Taylor at First Baptist Church in Hendersonville. We will have a guest director, Mr. Curtis French, and he will be leading in some great evangelistic music during these days. You are encouraged to come and help us have 100 in the choir each service.

Another area we will concentrate on later in the year will be in the area of children's choirs, youth choirs, and adult choirs. We will be planning a clinic toward the end of the summer or the early fall in which we can be trained for working with these groups.

Also, I am compiling a file of those who can provide special music, such as solos, duets, trios, quartets or other ensembles. If you sing and would be willing to help in different associational meetings by providing special music, please send me your name, address, phone number and church you are a member of. We will take this information and keep it on file to be used for associational meetings and also for churches in the association that would like to have these volunteers come and bring special music at their services.

As you can see there is much to do. Please pray that God will lead as we seek to praise Him through music here in this association.

Copies of Carolina Minutes NEEDED

A copy of the Minutes of Carolina Baptist Association for the following years are needed to complet our set of Minutes:

1878 - 1892; 1890 - 1905; 1907 - 1921; 1928; 1931; 1936 & 1937.

If you have a copy of any of these years you would be willing to share with us or allow us to copy, it would be greatly appreciated.

Woman's Missionary Union

We remind you to try the Churchwide Prayer Retreat (Dimension AMJ page 8-11;16-17;28-29) to discover personal gifts of your church members. Send any talent record you discover to Barbara Jean Connell, Mission Action Director. She is setting up a Resource File for the Association.

Our WMU was recognized as a Distinguished WMU at our recent convention at Charlotte. I was very pleased with the representation of ladies from our area in attendance there. Each received blessings.
So much remains to be done. We lack so much in training. Leaders must read manuals and go for training whenever humanly possible. Many yet remain to be located, won, used for His glory.
Mrs. Bea (Horace) McRae was elected president to succeed Betty Gilreath. The 1981-82 emphasis will continue to be Life-Changing Commitments. Make One in '81. The watchword will be Isaiah 6:8. The hymn for next year will be "Send Me, O Lord, Send Me." Though we do not have a release date for the new yearbooks we DO know all new MWMU manuals will be off the press April 1. Call or wrtie the Baptist Book Store to place your order immediately.
Marjorie Kelly wrote The Gifted Woman I am to help us understand how God equips each of us for His work. I also recommend WMU - A Church Missions Organization for WMU ers and for all staff.
We continue to ask you to stress enlargement all this and next year. You started well on 10,000 MORE BY NOVEMBER 4.
Congratulations to those WMU Directors for next year who have already been elected and making marvelous plans for serving.

Associational Emphasis Week May 18-24, 1981

THE EXECUTIVE COMMITTEE VOTED TO ASK EACH CHURCH TO TAKE A SPECIAL OFFERING FOR ASSOCIATIONAL MISSIONS DURING ASSOCIATIONAL MISSIONS EMPHASIS WEEK TO HELP EASE THE FINANCIAL STRAIN OF THE ASSOCIATION.

from the Moderator

Dear Fellow Christian,

By all indications, May should be an active and enjoyable time in the life of our Carolina Baptist Association. Burrel Lucas of our convention staff will be conducting a deacon's seminar on Friday and Saturday, May 1 and 2 at French Broad Baptist Church. The evening meeting begins at 7 and the morning meeting begins at 8:30 A.M. This meeting is for pastors, deacons and wives. I feel sure that all of us can benefit from a meeting of this nature. Plan to be with us for that meeting.

We are indeed fortunate to be able to share in the ministry of Jack Taylor. The Association is joining First Baptist Church in the meeting with Dr. Taylor on May 17 - 20, 1981. There will be morning Bible studies, other sessions for women led by Mrs. Taylor and the evening services led by Dr. Taylor on the subject of the Holy Spirit. Be sure that your church becomes involved in this venture. Contact the Associational office for details.

A highlight of the month will be on Sunday afternoon, May 24, 1981,at 3:00 p.m. when we will have a Dedication Service for Camp Bear Walla. The service will be held at the Camp. God has moved in many wonderful ways to help the Association to liquidate a sizeable portion of the indebtedness of the Camp and, at the same time, to provide funds which will help the Camp to operate on a limited basis this summer.

The Executive Committee voted at its last meeting to recommend to each church a special offering for associational missions sometime during the week of Associational Missions Emphasis in our Convention. This will be the week of May 18-23. There is a deficit in our operating budget at the present time, so the need is urgent. I know that you and your church will respond as the Lord leads.

Sincerely in Christ,

John F. Rymer

We Are Committed to Missions
Because of People

Dear Fellow Christians:

As members of the churches of Carolina Baptist Association, I am sure that you are aware of the splendid leadership that Rev. Ron Pinkerton has and is providing our Association.

We of the Finance Committee are frequently frustrated by the lack of funds to adequately carry out the services and programs that our leadership has endorsed. Actually there have been times when funds were insufficient to pay salaries on schedule.

Please consider joining the other churches in our Association by taking a special offering in your church for the Carolina Association during Associational Missions Emphasis Week in North Carolina. The week of May 17 - 24 has been designated by our North Carolina Baptist State Convention to give special recognition to Associations across North Carolina.

The Finance Committee asks that each of you continually pray for God's leadership and guidance in the Carolina Association and that you prayerfully continue your faithful support.

Sincerely,

Corum L. Smith

This will be my last newsletter to you so I should like to exercise a "personal privilege." May I express my deep and sincere appreciation to so many of you for your prayers, cooperation and sweet spirit of faithfulness. In as much as "ye have done it unto the least of these, ye have done it unto Jesus." I thank you and pray that God will reward you. Truly we have been "laborers together with God."

Last month I gave you the theme for the coming year with the Life-Changing Commitment emphasis, the watchword - Isaiah 6:8, and the hymn - "Send Me, O Lord, Send Me." The objective of the 81-82 emphasis is two-fold: to help you develop a pattern of Christian-living characterized by positive response to God, self, and others and to lead women and girls to a greater awareness of respect for potential roles of women in the support of missions.

The Foreign Missions Week of Prayer is November 29 - December 6 with the theme: How Shall They Hear? The Foreign Mission Series Nov.15-18 with the theme of French-Speaking West Africa. Our Home Missions Week of Prayer is March 7-14, 1982 with the theme: The World Is Here! while the Home Missions Series will be February 21-24 with the theme: of Challenge of the Cities. WMU Focus Week will be February 14-20, 1982.

Ladies, remember all new manuals are in your Baptist Book Stores now. The new yearbooks are also out. Do use The Gifted Woman I Am and WMU-A Church Organization . It was my joy to attend the Foreign Mission Boards' Appointment Service in Lakeland, Florida on April 7. How thrilled
How I thrilled as I heard the testemonies of these 24 young people being sent out to 11 different countries to witness of our Lord.

Two immediate dates you will want to keep are Baptist Women's Prayer Retreat, Monday, April 27 at East Flat Rock Baptist Church with Mrs. Mitchell, missionary AND our Annual WMU Meeting, Monday, May 4 at First Baptist, Saluda. Carolyn Weatherford will be our speaker. She is Executive Director of Woman's Missionary Union of the Southern Baptist Convention and a very dear personal friend. You will enjoy Carolyn for she is sheer delight and in Helen Flings words "Carolyn is the most down-to-earth woman I have ever known." We want the women, girls, pastors, and Brotherhood and boys to take advantage and hear her.

A word of appreciation to those of you who helped with the posters for the Annual WMU meeting.

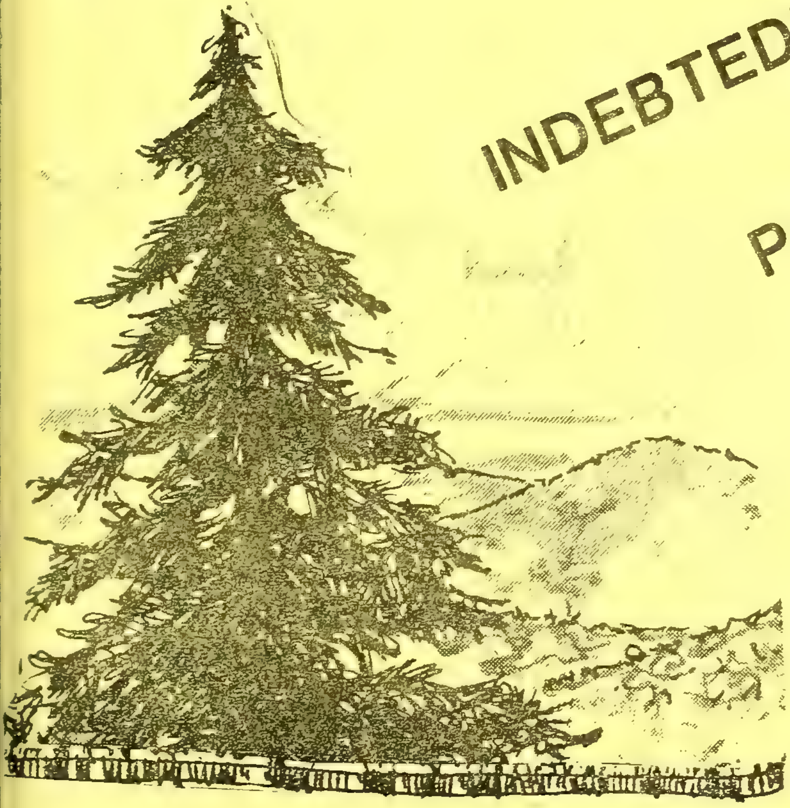
INDEBTEDNESS PAID OFF



BEAR WALLA BAPTIST CAMP

THE DREAM HAS BECOME A REALITY!

The seemingly impossible dream of the Missions Committee to purchase a Camp-Retreat Area for Carolina Baptist Association has become a reality. On May 29, 1981 the final installment on the indebtedness was made on the Bear Walla Baptist Camp property.

Churches Observe ASSOCIATION EMPHASIS WEEK

Reports of several churches emphasizing Associational Missions have been received. Some showed slides and had special programs. Several received offerings to help the Association catch up on expenses. To date that offering is $669.00.

Interest is growing in our Association. Let's all pray that we will be in the right place so God can use our cooperative efforts to be an effective witness for Him in our area.

Camp Dedication

Associational Missions Emphasis Week, May 17-24, was climaxed with Dedication Services for Bear Walla Baptist Camp at the camp on Sunday, May 24. Avery Simpson led the Invocation; Charles Clayton and George Denton brought a short devotional. Music was provided by the Associational Youth Choir and Etowah Baptist Church. Hazel Duncan gave a brief History of the camp. John Rymer recognized and expressed appreciation to all who had had a part in the camps purchase, development and use. A sign reading, "The Avery Simpson Chapel," was presented by John Rymer and placed on the building by Ron Pinkerton in recognition of the dedicated service rendered for the camp by Avery. John Rymer then led in a responsive Dedication of the Camp followed by a prayer of Dedication led by Jimmy Cox.

Children's Bible Drill

The Associational Children's Bible Drill was held at Bear Walla Baptist camp on May 24. Three churches, Upward, Mills River and Hendersonville, First, were represented. Eleven participants will go on to the State Children's Bible Drill on June 6 at West Asheville.

STATE WINNERS Mitzi Ashworth, Christina Byrd, Mark Garren, Kathy Lanning, Elizabeth Luntsford, Bubba Pridmore, Janice Sitton, Polly Thompson, Patricia Worley, and Taffy Waldrop were State Winners in the Children's Bible Drill.

BEAR WALLA BAPTIST CAMP

AUGUST 3 - 10, 1981

"BEING AN ASSOCIATION"

SOUTHERN BAPTIST CONVENTION

I deeply appreciate the opportunity to go to the Southern Baptist Convention. This was made possible by special offerings taken in several of our churches since there were not sufficient funds in the Association treasurery to make convention expenses available. The Convention seemed to be centered around a heart felt need to share the love of Christ with the world. There seemed to be a new seriousness about the Bold Mission effort of giving every person in the world an opportunity to hear and respond to the gospel by the year 2000. To meet this tremendous goal, Southern Baptists will have to share with over 400,000 people every day.

CAMP

The paying of the note at Camp Bear Walla was a relief and a great joy to all of us. We still need to remember that the maintenance, insurance, and development cost are substantial and will take our best efforts if we are to have a good useable camp.

YARDWWORK

We need a person or a group to take care of the grass and shurbs around the Association office. A couple of hours every two or three weeks wouldkeep the grounds in good condition.

FINANCE COMMITTEE WORKSHOP

On Thursday, August 13,7:30 p.m. at the Association office, I would like to meet with the chairmen of the church finance committees and as many members of the committee as can come with them. We will talk about the process of making a budget and how to make our offerings do what needs to be done in a tight economy.

NOMINATING COMMITTEE WORKSHOP

On Thursday, August 20, at 7:30 p.m. at the Association office, I would like to meet with the chairmen of the church nominating committee and any others that can come with them. In the workshop we will talk about ways of finding people who feel led to do specific jobs in the church. We will also talk about ways of enlisting people so they will feel committed to the office they will fill.

May we be a people on the move for our Lord winstead of a people watching and waiting to see what someone else will do.

Dear fellow Christian,

This is the time of year when the migrant workers come to the area to work in the harvest of fruits and vegetables. Some of our churches will be actively engaged in ministering to these people during the summer. Our prayers are important to this work. With the prayers of many people and with the diligent work of Mrs. Kearnes and the Migrant Committee, God will bless these endeavors with decisions for Christ. Please place this matter on your prayer list.

The Executive Committee of our Carolina Association will meet on July 14, 1971, at 7:30 P.M. Our agenda is always full, so it is important that your church be represented by the pastor and one other member from the church. As most of you know, this is the way our constitution provides for the conducting of business between annual meetings of the Association.

Perhaps your church has not as yet received a special offering for the work of associational missions. The suggestion was to receive the offering at a convenient time in your church and the offerings would be used to supplement the associational mission budget, which was being severely strained in recent days. Our thanks go to the churches which have already carried out this suggestion and our prayerful request goes to the churches which have not as yet responded to the suggestion.

Brochures which state the function and duties of messengers elected by their church to attend the annual meeting are available in the associational office. They would be very helpful to give to each messenger who is elected by your church at attend the annual meeting in October.

May God richest blessings be with you as an individual and with the church family of which you are a member.

Sincerely in Christ,

John F. Rymer

Dear Pastor:

Our goal is to share Christ with every person in North Carolina in 1982. Churches wanting to join in the "Here's Hope" Crusade need to begin now enlisting a People Search leader. We must locate the unsaved and unchurched in our communities.

A meeting with Pastors and/or other key leaders will be held Monday, July 27, at 10:30 a.m. in the Associational Office. A make-up meeting will be held Monday night, July 27 at 7:30 p.m. for persons unable to attend the morning meeting. Persons not able to attend either of the above meetings, should call the Association Office and share a time which is suitable to your schedule. We will plan to meet with you then.

The puprose of this meeting is to share with you the need and "how to's" of People Search. We are encouraging you to enlist a People Search Chairman by August 17. After that date, we will have persons to work directly with the People Search Chairman.

We request your prayers, support, and suggestions on how we can more effectively share Christ with the people of our community.

Sincerely,

Victor Blackwell

We Are Committed to Missions
Because of People

Dear Fellow Christians:

Now is the time all of us are beginning to plan our budgets for next year. The Association Finance Committee is also planning the budget for next year. We hope to continue to find more effective ways to share Christ in the community and to do this we must have the support of each church.

We urge you to prayerfully consider increasing the percentage your church gives to the Association as you plan your budget for next year. Four of our churches are giving 5% of their income. Three are giving 4%. Of the 53 churches in Carolina Baptist Association, 44 churches are supporting it to some degree.

We thank God for those who participate and trust that the Associations service will be effective in winning the lost to Christ in our area.

Sincerely,

Corum L. Smith

Dear fellow Christian,

Most of us who are involved in associational work are very much aware that our annual meeting time is approaching very rapidly. There are at least two things which I would suggest that you do in relationship to this meeting.

The first thing would be to give yourself to earnest prayer for God's Spirit to prevail over all of the sessions as the Lord's people come together to evaluate the past accomplishments and to plan future activites which would reach people for Christ.

The second suggestion is directed to pastors. There are in the associational office some very helpful brochures which deal with the duties of an "associational messenger." These brochures are provided by the Home Mission Board, and I would suggest that each pastor secure as many of these brochures as you need for your messengers and go over the material with them prior to the annual meeting. I feel that this activity would enhance the interest of those who will be attending the sessions.

Perhaps elsewhere in this newsletter will appear some word or words as to the change in the meeting time of our annual session this year. We will have a Monday evening session. The second session will begin at 4:00 P.M. on Tuesday afternoon with supper being served by the host church, which in this case will be the Ebenezer Church,and then we will go directly into the evening session at 7:00 P.M. We are doing this to provide an opportunity to people to attend more of our sessions than has been provided in the past. For a number of years the afternoon sessions have been poorly attended because of people having to work at public jobs. This may not be the answer to the problem of attendance, but the Program Committee is enthused concerning the possibilities of such a change.

There are enough changes in our Constitution to be presented at our annual meeting by the Constitution Committee as to make it an entirely new document. You will be informed of the suggested changes. Just be sure to mark the dates of October 26-27, 1981, for our annual meeting and make your plans to be present.

EBENEZER BAPTIST CHURCH

October 27,1981 4:00 P.M. - 9:00 P.M.

Dear fellow Christian:

I want to call your attention to the meeting time for our Annual Meeting this year. The meeting time for the Monday evening session will not change as we gather to fellowship with the Beulah Church. However, our Tuesday session with the Ebenezer Church will not convene until 4:00 P.M. We will enjoy supper with the Ebenezer fellowship at 6:00 P.M. and then go directly into our evening session. Many of us felt that this schedule would best suit the needs of our people since many of them who would like to attend our sessions cannot do so because of working outside the home during the day. Keep this change in mind as you appoint meseengers who can attend the sessions with this new schedule.

It has been a pleasure to serve the Lord and the churches of the Carolina Baptist Association as Moderator for the past two years. To work with Brother Ron Pinkerton and his office staff is a delight and a blessing. Many changes have been made in our work over the past two years, but one thing which has not changed is that of our commitment to share the gospel with people in our county and surrounding areas. You can be assured of my prayers and cooperation for those people who will be serving you in the next year.

Sincerely in Christ,

John F. Rymer

"Being An Association"

Thanks to all the leadership of the Carolina Baptist Association for their written reports, and participation in the 104th. Annual Meeting. A special thanks to John Rymer, past moderator, for the splendid leadership during the past two years. Thanks to the other officers and the host churches, Beulah Baptist Church and Ebenezer Baptist Church.

Thanks also to those churches who have increased their gifts to the Association for the coming year. Your response makes the prospects of and excellent year very exciting.

OUR NEW ASSOCIATION OFFICERS ARE:

Moderator	W.W. Willingham
Vice-moderator	Leon Nicholson
Treasurer	Leonard Lemmons
Clerk	Mrs. Glenda Lookadoo
Historian	Miss Edna Corn

We look forward to the progress that will be made under their leadership.

As we approach our designated Thanksgiving season my thoughts have turned toward some things for which I am thankful in the Association. This spring and summer our financial problems almost caused an ulcer but at those critical times it seems that one of you would lead your church to help in some special way and I would pause to say "Thank you" to our Lord for He is always at work among His people even though sometimes our faith is weak and we wonder if he has forgotten us. I want to say "Thank you" to each of you who have made yourself available to our Lord to be used by Him. The only way to limit the power of God is to make our lives unavailable for Him to use. I am thankful for those who are available.

I am thankful for the unity and cooperation in the Association. If we ever come to the place we all agreed on everything, we would cease to grow and be challenged. Christians don't have to agree but we must work together as we move toward the common goal of servanthood to our Lord. I am thankful the camp property is now ours and I feel the paying of the debt has brought us much closer together.

There is so much to be thankful for and it is good to have this time to stop and remember those "special blessings."

CHRISTMAS

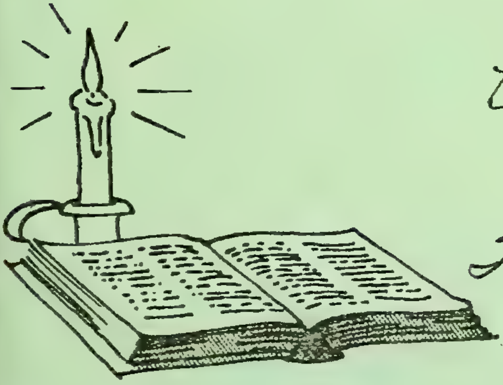
Christmas! A word so familiar to us at this time of year. A word that means shopping special occasions, gifts, eating, friends, family, land church services. In face, it seems the more we use the word, the less the feelings we associate with it.

Our prayer is that during this "Christmas" there will be times that feelings of thanksgiving floods your whole being and the warmth of love glows inside you like a warm fire.

THE STAFF

Ron & Peg

Hazel Gail



Dear Friends in Christ:

My Christmas would be brighter and my heart lighter just to walk into your home - clasp your hand - have fellowship with you - and tell you how much I appreciate you.

Your prayers, your faithfulness, and your interest have made possible the ministry of our Carolina Baptist Association. May God forgive our failures of the past and bring us into a closer walk and a more meaningful fellowship with Himself.

Please know that I am deeply grateful for the confidence placed in me by the Association electing me to serve as Moderator. With God's grace and help and your prayers and cooperation, we shall do our best to see that our work is carried on in such a way that all of our churches will make progress and God's blessings will be poured out upon us. To that purpose, let us resolve to give our very best.

No matter how your spend it,
May your Christmastime be blessed
By the presence of our Saviour
As your specially honored Guest.

With Christian Love,
William W. Willingham

1981 is almost History - 1982 a present Challenge -
I trust that one of your New Year Resolutions will be to review your Sunday School progress and determine to set new goals of achievement for 1982.
Have you followed up on prospects that have visited your church?
Have you followed up on prospects you found in People Search?
Have you planned for growth and then followed your plan?
Let's determine with God's help to grow healthy Sunday Schools in our Association in 1982.
The Bible is at the center of the mission of the church. The Bible tells us who we are and what we are to do. It makes clear the ultimate authority of Christ.
The mission of the church is to people. People are lost now. They need salvation now. Saved people neet to grow. It will help us to see people as our Lord saw them. Matthew 9:36. "He felt compassion for them, because they were distressed and down cast like sheep without a shepherd."
He came as a babe to be that Shepherd of His people. He has called us to be under shepherds. Let us commit ourselves anew unto this task in 1982.

MERRY CHRISTMAS AND A PROSPEROUS HAPPY NEW YEAR IN 82.

Allen B. Jewett, Associational Sunday School Director

WORLD MISSIONS CONFERENCE

What is a World Missions Conference? It is a special time for churches to learn more about Association, State, Home and Foreign Missions. Missionaries from each one of these areas will come to our association to share what they are doing.

Each church that participates will be assigned one missionary to take care of for the week. That missionary will speak in your church on Sunday morning. Someone from your church should be designated to take your missionary to a different church on Sunday, Monday, Tuesday and Wednesday nights. In turn someone will bring a missionary to your church each night. All churches will have five different missionary speakers.

Many people say they don't know how our mission offerings are being used. The World Missions Conference will be an excellent way to answer these questions. Urge your church to participate.

CHURCH TRAINING

A Word on New Member Training

Isn't it exciting? Yes, it's so very exciting to see a man, woman, boy or girl born into the Kingdom of God. And yet, it is even more exciting to see folks grow in the Kingdom.

In the Christian life, the first few days are of utmost importance. Instead of the "dunking and bunking" technique we must use the "drenching" technique. A technique that would soak new born Christians in the Word of God.

I believe that such a technique can be found through use of "Survival Kit for New Christians" by Ralph W. Neighbor,Jr. This is a technique that will fit every church no matter it's size and it is easy to use. So why not consider it for use in your church right away, I know God will bless you as you see your new members grow.

David A. Jones, Associational New Member Training Director

Dear Fellow Christian,

May I take a few minutes from your busy life to remind you that these are glorious and exciting days for the Carolina Baptist Association? God is moving in a mighty way in our churches, and we all are deeply grateful for what is being done. How truly wonderful it is to be on God's team!

I am sure that many of our parents and workers with teen-agers will want to attend the Adolescent Development Seminar at Naples Baptist Church January 30 from 9:00 A.M. to 12:00 noon. Dr. Charles Lowery, Campus Counselor for Gardner Webb College, will be the leader of this seminar. If anyone has any questions about teen-agers, this will be an excellent chance to have them answered.

I trust that you and your family are watching our SBC television production, "Invitation to Life," on Thursday evenings at 8:30 over WLOS TV. Reports from these programs have been extremely encouraging. Great numbers of people have already been won to Christ through this medium, and countless other lives have been strengthened. We rejoice in knowing that the churches in our Association have a part in this far-reaching ministry.

I urge you to continue to pray for the work of our Association. You will want to remember in prayer our Associational officers, our Director of Missions, and his office staff. These people have a tremendous responsibility to fulfill, and they are doing an excellent job. Your prayers will help to make their work even more effective.

May God richly bless you.

Sincerely in Christ,
William W. Willingham

"Being An Association"

Last month the Newsletter emphasized 30,000 unchurched people in our Association. Who are these people? The only way we will find out is for each church to make a list of unchurched people to work with in outreach. This means actually writing down names, addresses, and phone numbers, then asking our Lord to use you to let these people know He loves them. The names could be divided among church members or Sunday School classes for specific prayer. Then specific church members could commit themselves to be used by God to reach out to one or two of these people on the list.

However, we can't reach any of the 30,000 until we have at least one name and address to start with. Won't you take time to get some people together and make a list. Otherwise, how can we be Christians when Christ said, "Go ye . . . . . "

Lay Witness Evangelism

A Lay Witness Evangelism and Prayer Training Session will be held on Monday, March 1 at 7:00 p.m. in the Association Office. This training is in preparation for the "Here's Hope Simultaneous Revivals" to be held April 25 - May, 9, 1982. Jim Byrd and Kevin Turner will be leading.

FAMILY LIFE

Every era has left us things worthwhile -- pieces of the past that are part of our present and part of our future; reminders of the good days that have become treasured yesterdays; good days like today.

We hope you will remember that each of the 365 days of 1982 is worthy of saving. Let's renew our efforts to establish and maintain a Family Alter in our homes.
Each day will happen only once. We trust that the prayers of the Family Life Committee will help you live these days to the fullest.

Lucille Linville
Family Life Committee

Dear Christian Friends:

You and I belong to an Association with a great spirit of loyalty and service. For almost 105 years the Carolina Baptist Association has loyally served God and man across this section of our state. During all these years faithful men and women have given gladly to make that service possible.

Today our 53 churches stand open and accessible to the hundreds who come to worship, to be quiet, and to seek personal help. They come from every walk of life, and they do not come in vain. We have something worthwhile to offer them. I know that it means a lot to our people to be a part of this great program. Let us covenant together to pray and to work with greater enthusiasm that we may extend the influence of our efforts even further.

For quite some time now we have been emphasizing the Bold Missions Thrust. In an effort to help our people be more effective in witnessing for Christ, there will be Lay Evangelism Witness Training at the Associational office March 1 at 7:00 P.M. This special training can very well make a big difference in the success of our simultaneous revivals April 25-May 9.

The week of March 7-14 has been set aside for the Week of Prayer for Home Missions. As you already know, this is one of the most important weeks of the year. We trust that every church will be praying for Home Missions at this time.

The WMU State Annual Meeting will be conducted in Greensboro March 19-20. Our ladies will want to be on hand for the great blessings of this meeting. An excellent slate of speakers has been scheduled.

Be sure to have your young people check March 19-20 on their calendars. This is the time designated for their Associational Youth Nights. The meeting place will be announced later.

Does your adult Sunday School need "a shot in the arm"? You can give it a tremendous boost by attending the Adult Sunday School Clinic at the First Baptist Church in Asheville March 25-26.

I trust that God's richest blessings will be poured out upon you and the church family of which you are a member.

Sincerely in Christ,

William W. Willingham

Associational
Emphasis Week
May 17-23, 1982

Dear Christian Friends:

You and I should be extremely happy that there are planned meetings to help us in our work. We know that it would be impossible for all of our members to attend all of the meetings, but wouldn't it be wonderful if all the people for whom the meetings are planned would be present? Just think of all the work we would be able to get done across our Association!

The Associational Vacation Bible School Clinic will be held at East Flat Rock Baptist Church April 5. There will be two sessions. The morning session will begin at 9 o'clock and close at 11 o'clock. An evening session will begin at 6:30 and close at 9 o'clock. Plan to have all of your VBS workers present for one of these sessions.

The Baptist Women's Prayer Retreat will meet at Main Street Baptist Church April 19. We are grateful for our praying women.

There will be an important Executive Committee Meeting at Main Street Baptist Church April 20 at 7:30 P.M. Since this is our Associational Meeting during the year, we trust you are planning to attend.

The Church Training Leadership Dinner will be April 22. The place and the time will be announced later.

The North Carolina State Youth Convention will be held in Charlotte at the Coliseum April 23-24. We are hopeful that many of our churches will send their young people to this meeting.

There will be a Work Day at Camp Bearwalla April 24. The good, strong backs of some of your men and ladies will be greatly appreciated.

Our goal is to reach everybody in Western North Carolina with the Gospel and to give them an opportunity to trust in Christ during our Here's Hope Simultaneous Revivals. May God bless our efforts.

There is no place for us to relax. We must work harder, pray with greater faith, carry a burden for the work of God's kingdom, and give more than ever if we are to do our full share in presenting Christ to this age.

Sincerely in Christ,

William W. Willingham

Associational Emphasis Week May 17-23, 1982

Your Baptist Association: A base for mission strategy.

May 17 - 23 has been set aside as Associational Emphsis Week in our Association. The purpose of this week is to communicate to Southern Baptists the importance and functions of the Association: what it is, what it does,how it works and how it is supported. The Theme is: "Your Baptist Association: A Base for Mission Strategy."

FUTURE NEEDS

The Administrative Council of the Association is beginning to study our future office needs. If there is a possibility that you or some one you know might be interested in donating or selling at a reasonable price a piece of property for an office building, please call the Association office (693-4274). The best location would seem to be a six or eight block area around the hospital since the pastors visit there on a regular basis.

Here's Hope for the Family

A film series featuring America's leading Christian authority on the family, James C. Dobson, Ph.D., will be shown at the Tuxedo Baptist Church the week of April 18-24 at 7:00 p.m. each evening. The serie entitled "Focus on the Family," presents seven of Dobson's most popular presentations, all of which were filmed live at family seminars.

The titles of the films and dates on which they will be shown are:

April 18	"The Strong Willed Child"
19	"Shaping the Will Without Breaking the Spirit"
20	"Christian Fathering"
21	"Preparing for Adolescence, The Origins of Selfdoubt"
22	"Preparing for Adolescence, Peer Pressure and Sexuality"
23	"What Wives Wish Their Husbands Knew About Women, the Lonely Housewife"
24	"What Wives Wish Their Husbands Knew About Women, Money, Sex and Children"

MIGRANT MINISTRY

FROM THE MIGRANT COMMITTEE TO THE FIFTY-THREE CHURCHES

GREETINGS:

We invite you to join in a united effort to witness and minister to the more than 3,000 Migrants who come into our county during a part of each year. These are a special people, lost people, who need to know the Love and Salvatio of our Lord Jesus Christ. This is our opportunity to bring them this Blessed Hope, in obedience to our Lord's command, when he said: "Go Ye--"

The need is so great, but the laborers are so few! Perhaps you would like to help, but do not know how to begin. Plea if you care at all, will you contact Ron Pinkerton or a member of the Migrant Committee, in order that we might share with you in more detail how you can have a part in this min try.

At the moment, we have a need for funds to secure Bibles in both the Spanish and French language. The average cost is about $4.50 per Bible, and this letter is an appeal to each Church to help to fund this need.

My prayer is that God will burden your heart for these lost people and that you will be willing to reach out to them wi the message of hope.

Yours in Christ,

Alice Trantham.

Associational
Emphasis Week
May 17-23, 1982

Dear Friends:

"Prayer moves the arm that moves the world."

So many times someone has come to me saying, "Brother Willingham, I need your prayers." This is a natural feeling. All of us at times feel that we need to be carried in the arms of prayer to the heavenly Father.

James urged the early Church "to pray one for another." Wouldn't it be truly wonderful if we all would covenant together to pray for the work of the Carolina Baptist Association? I believe that God's richest blessings will be poured out upon us if we will remember the work of our Association when we pray.

Many of our churches will be conducting Here's Hope Simultaneous Revivals May 2-9. We are hopeful that we shall be able to reach everybody in Western North Carolina with the good news of salvation and give them an opportunity to trust in Christ.

Our ladies of the WMU will want to remember their Annual Meeting at Valley Hill Baptist Church May 3. An excellent program has been planned.

Christian Home Week will be observed May 2-9. As our homes go, so goes America. Let's work and pray to strengthen our homes.

The Key Leadership Conference will be held at Ridgecrest May 10-12. All of our key leaders should plan to attend these sessions.

Camp Council and Youth Council will meet at the Associational Office May 10 at 7:30.

On May 19 the Carolina Media Organization will meet at Balfour at 7:30.

A Pastors Planning Seminar will be held at the Associational Office May 18 from 9:00 A.M. to 3:00 P.M.

Associational Emphasis Week will be observed May 17-23.

A Work Day is scheduled at Camp Bearwalle May 22.

The Associational Bible Drills and Speakers Tournament will be at Refuge May 23.

Missions Committees will meet at the Associational Office May 24 at 7:30

A Migrant Workshop will be conducted May 27 at 7:00 P.M.

May the Lord watch over you and guide you through your life.

Introducing Associational Leaders:

MODERATOR REV. W.W. WILLINGHAM

Rev. W.W. Willingham, a native of North Carolina, has served as pastor of Mt. Moriah Baptist Church for the past nine years. He attended Mt. Holly High School and received his B.S. degree from Maryville College of Tenessee, a B.D. degree and his M.DIV. degree from Southwestern Baptist Theological Seminary. He has taught at Fruitland Baptist Bible Institute for the past eight years. He and his wife, Joy, have four sons and one daughter. He is presently serving as Associational Moderator, president of the Ministers' Conference, Chairman of the Committee on Committees and member of the Migrant Committee and the Camp Committee. He is also involved in the Police Chaplaincy Program.

ASSOCIATIONAL TREASURER LEONARD LEMMONS

Leonard Lemmons and his wife, Barbara, have two children. He is a member of Mills River Baptist Church where he serves as Chairman of Deacons, Sunday School teacher and was instrumental in starting Children's Church. He has been a Gideon since 1974. He attended Western Carolina University. He is now employed at Brunson's Furniture Co. He served as Mission Store Treasurer prior to being elected as the Associational Treasurer in 1978.

"Any program that is worthwhile is expensive. If we expect to be a vital force in this area to strengthen the churches and accomplish anything worthwhile, it takes financing. If the churches and people would look on the Association as a Mission endeavor or opportunity rather than an expense we could be a stronger more productive force. We appreciate the faithful churches and hope others will do so. Remember the Association as you consider your budget."

G.A. CAMP

on't you want your G.A.'s to have the opportunities that come at .A. Camp? Here are some of the things that the G.A.'s said about amp last year:

"I enjoyed the camp because everything was fun."

"I liked swimming and quiet time. (that is when you find a little space by yourself and talk with God and and read your Bible and do the activities in your quiet time booklet.)"

"I liked camp because we went swimming and learned about Jesus. It's really fun. You can learn a lot at camp."

"I think the camp is wonderful and I would enjoy coming back again. I love the missionary visits and the great songs we sang. The food was the best."

FAMILY: OPENING THE WORD TOGETHER

Dear Christian Friends:

It is a blessing to recognize your friendship and to express our thanks for the valuable and tangible way you have shown your love and faithfulness to the Carolina Baptist Association. Please know that we are deeply grateful for your support and help.

This year is rapidly moving along. It is truly hard to realize that we shall soon be over half way through 1982. According to our Associational calendar, there are numerous meetings scheduled for the month of July, and we trust that those for whom these meetings are planned will be able to attend.

The WMU Executive Council will meet at the Associational Office July 10 at 10:00 a.m. Some very important matters will be discussed at this meeting, so the members of this Council are urged to be present.

Christian Citizenship Sunday will be observed on July 4, Independence Day. This can well be one of the greatest days of the year, for we all need to express our gratitude for the freedom we enjoy.

The Nominating Committee Chairmen will convene at the Associational Office July 8 at 7:30 p.m.

Sunday, July 11, has been set aside as Christian Literature Day. Aren't you thankful that we still have decent literature for our families to read?

On Monday, July 12, the Youth Council and the Camp Council will meet at the Associational Office at 7:30 p.m.

There will be an Associational BYW picnic at Upward Baptist Church July 15.

The pastors and their wives will want to make plans to attend their picnic at Bear Walls July 17 at 6:00 p.m.

All members of the Executive Committee are urged to be present for the meeting at Main Street Baptist Church July 20 at 7:30 p.m.

The Missions Committees will assemble at the Associational Office July 26 at 7:30 p.m.

There will be meetings of great value for Church Clerks conducted at the Associational Office July 29 at 2:00 p.m. and 7:30 p.m.

May the Lord bless you and your church family in your labors for Him.

Sincerely in Christ,
William W. Willingham, Moderator

SUMMER YOUTH WORKER

Hello Everybody:

I greet you all in the name of our Lord Jesus Christ. That wonderful season of summer is here again and I am especially excited about the opportunities ahead for our Association's youth. Not only am I looking forward to working with the churches where I have been requested but I am also very excited about our weekly Youth Rallies beginning Monday, June 28. These rallies will take place every Monday night throug through the 9th. of August and will be held at various locations to be announced. I urge all churches to take advantage of this opportunity by bringing your youth for a time of worship, fellowship, and spiritual enrichment. Please don't discount the potential of the rallies for spiritual growth before you attend one. Give them a chance and let's develop a unity of spirit where we can be of the same mind, sharing the same love and intent on one purpose (Philippians 2:2). I look forward to getting to know MANY of you this summer. Let us join together in bathing the summer in prayer so that lives may be changed and our Lord glorified.

Yours in His service,
Brad Riddle

MISSION ACTION

LOOKING GOOD! That's the latest on preparations for furloughing house for Larry and Kay Rice of Caracas, Venezuela.
An Upward Baptist Church group recently rented a carpet cleaner and shampooed the living and dining room carpet. It looks good! An Associational youth group and leaders washed windows and cleaned the kitchen. Acteens of Hendersonville First have also done some cleaning. Thanks for all the hard work, folks.
There are many things yet to be done. Why not ask your church to accept responsibility for fulfilling a particular need?

Some immediate needs are:
- Truck and people to move furniture to the home.
- Plumber and electrician for washer-dryer hook-ups.
- A clothes dryer, too.
- Drapes and curtains. Women could get together and sew for a particular room. Used window coverings are acceptable but the windows are unusually large.

Already, there have been inquiries from other missionaries interested in using the house next year.
If you want to help, call the Associational Office, 693-4274.

BUDGET TIME

As the churches start preparing their budgets for the coming year, the temptation will be to use the economy as an excuse to the same as or very little more than last year. We must move ahead with caution, but there are so many opportunities ahead of us that we cannot stand still. If we trust and follow our Lord, I believe He will bless us as we increase our work for Him.

Please give your pastor at least an 8 percent increase this year to keep him even with inflation. Some churches need a larger increase. I keep hearing of churches who did not increase their pastor's salary last year, and they need to make up for that negligence. It is extremely poor Christian commitment not to increase the pastor's salary and expenses yearly, regardless of our excuses.

Please try to give 5 percent of the budget to Associational Missions. Some have reached the 5 percent and will do even more. Some churches are including the camp in their budgets, and this is desperately needed for development. We will try to put the camp in the Association budget this year, but we will also need special gifts to help make the camp more usable.

The needs are great. Excitement continues to grow in our Association. God has given to His people the resources to do His work. Isn't it great to work together on mission for Him.

WORLD MISSIONS CONFERENCE

I think that history will prove the fact that the things which have made Southern Baptists "great" are the following:

1. Evangelism in response to the Great Commission
2. Seeing the entire world as a mission field for the Gospel
3. A strong emphasis on the Sunday School as a channel for Bible study and evangelism

Our World Missions Conference which will be held in our Association in September will focus on the second of the above listed priorities. The dates for our Conference will be Sunday, September 26 to Wednesday, September 29, 1982. Twenty-six of our churches will be participating. They will be hearing from foreign missionaries, home missionaries, and state missionaries. Even if your church did not choose to participate, I hope that you will be able to attend the meetings at another church close by.

In this emphasis, I would want you to pray for the following things:

1. Pray for the committee who is planning the conference.
2. Pray for the missionaries as they travel to us and speak to us.
3. Pray that God would be honored and that our people would be challenged to a greater vision of missions.

MIGRANT MINISTRY

Many people have a great misconception about missions. Being a missionary does not mean living in a foreign country or even out of state. It has nothing to do with geographical boundaries. Being a missionary means living outside of yourself in service for Christ. Ministry is not an option for Christians. Paul tells us we are ambassadors for Christ. We are the hands through which He touches, the mouth through which He speaks, but most important, the heart through which He loves.

I would like to challenge the youth of this Association to a mission assignment that will provide opportunities to serve people of different cultures without leaving Hendersonville. As a part of the Migrant Ministry, I would like to form two Youth Mission Teams. One to do Backyard Bible Study and one for a Puppet Ministry. If you are interested, call me at the Associational Office - 693-4274.

WORLD MISSIONS CONFERENCE

Carolina Baptist Association

September 26 - 29,1982

Dear Christian Friends:

These are extremely busy days, and they are good days. In the midst of everything that is going on, your Association is hard at work. I know that you greatly appreciate the many wonderful things that are being accomplished. God has truly blessed our efforts, and we are deeply grateful. There is still so much work to be done all across our area. It is our prayer that all of our people will unite behind our associational director of missions and attempt even greater things for the glory of God. The potential is tremendous, and there is no limit to what we can do if we join hand and heart to wor together.

There will be a Church Training Leadership Conference conducted September 9. God's army needs trained workers, so plan to attend.

Brotherhood Leadership Week will be observed September 5-11.

Single Adult Day will be celebrated Sunday, September 12. This will be an excellent time to recognize our single adults.

Ministers' wives will meet September 13. They will go to the Thomas home.

The Youth Council and the Camp Council will meet at the Associational Office September 13 at 7:30 P.M.

There will be an Associational Sunday School Workshop conducted September 14.

Missions Committees will meet at the Associational Office September 20 at 7:30 P.M.

Senior Adults will have a meeting September 21.

A World Missions Conference will be conducted in our churches September 26-29. This could very well be one of the most important weeks of the year. Let us give it our best.

Sunday School Preparation Week will be observed September 26-October 3.

Our prayers are with Brother Ron Pinkerton. We trust that he i feeling much better. We are greatly indebted to him for his dedicated leadership, and we assure him of our love and appreciation.

May God's richest blessings always be yours!

Sincerely in Christ,

William W. Willingham

William W. Willingham, Moderator

World Missions Conference

I think that history will prove the fact that the things which have made Southern Baptists "great" are the following:

1. Evangelism in response to the Great Commission
2. Seeing the entire world as a mission field for the Gospel
3. A strong emphasis on the Sunday School as a channel for Bible study and evangelism

Our World Missions Conference which will be held in our Association in September will focus on the second of the above listed priorities. The dates for our Conference will be Sunday, September 26 to Wednesday, September 29, 1982. Twenty-six of our churches will be participating. They will be hearing from foreign missionaries, home missionaries and state missionaries. Even if your church did not choose to participate, I hope that you will be able to attend the meetings at another church.

In this emphasis, I would want you to pray for the following things:

1. Pray for the committee who is planning the conference
2. Pray for the missionaries as they travel to us and speak to us
3. Pray that God would be honored and that our people would be challenged to a greater vision of missions.

R.A.'s

R.A. Week was a beautiful experience. The boys were able to share the teachings they had received at home and church. There was a spirit of revival with two boys receiving Jesus as their Savior. Boys from seven years to eighteen years were involved. The older boys and the younger boys cooperating.

This spirit of revival can be used in the church of each boy by allowing the opportunity to tell the church about their experience. Pastors, I encourage each of you to use the boys and this testimony. we had twelve churches represented and 31 boys registered. boys were used as Cabin Directors in two cabins and an adult in the other cabin. Adults taking part in the camp were: Doris & John McGee, Mission Study and Bible Study; Lee Porter, Transylvania Association. Camp Crafts; Graham Thompson, Columbia,SC, Cook assisted by Mike Fisher; and Forrest Nash, Cabin Director and all around helper. A group that had never worked together as a team allowed the Holy Spirit to direct this camp and received a blessing and committed themselves to the task of doing more for the R.A. Program in Tthis Association.

TO: ALL PASTORS AND CHURCH LEADERS
FROM: ASSOCIATIONAL EVANGELISM COMMITTEE
SUBJECT: EVANGELISM LEADERSHIP COMMITTEE

There are some very important questions that we need to ask and answer in order to determine what we as pastors and church leaders can do to become more effective in evangelism. Some of these important questions are given below. Please read the questions and indicate your response by checking the appropriate answer.

QUESTIONS	YES	NO
1. Does the life and teachings of Jesus demonstrate a life-style of evangelism?	____	____
2. Do you want to be a member of a church that demonstrates a life-style of evangelism?	____	____
3. Do you often experience difficulty in living a dedicated life-style of evangelism?	____	____
4. Do you want to know how to develop a personal and church life-style of evangelism?	____	____
5. Do you want to be a participant in a church that demonstrates a life-style of evangelism?		

A "YES" reply to any of the above questions indicates that YOU and YOUR Church need a CHURCH EVANGELISM LEADERSHIP COMMITTEE. Before you say, "we don't need another committee, the ones we have now don't function", please read and prayerfully consider the following duties, purpose, and persons of this Committee.

Purpose of Church Evangelism Leadership Committee

G.A.'s

Association G.A. Camp, June 14-18, began with 40 G.A.'s from eight of our 22 churches with G.A. organizations and two other associatio eleven staff members and Pat Ritchie, State G.A. Director, Camp Director. WE had an enjoyable fun-filled week learning more about m missions and about God's plan for our lives. Five missionaries - Rev. & Mrs. John McGee, Mr. & Mrs. Paul Miller, Cliff Staton - and Jay Shuler from Sandburg Estate, shared with us. Our activity time included swimming, clogging, creative rhythm movements, embroidery, games, singing and eating delicious food. Our days began at 7:30 a and ended with lights out at 10:00 p.m. Facilities were adequate and we were especially thankful for the new bath house which was completed on that Monday morning. Honor campers were: Valerie Hendricks, Janilah Harrell, Teresa Cantrell, Tammy Condrey, and Kecia Wilson. Several G.A.'s made decisions in areas of salvation and spiritual growth. Thanks so much to each of the staff - Pat and he five counselors, Jill McHarge, Ruth Pace, Elizabeth Orr, Alma Stepp Laura Shook - and all those who prayed for us. To God Be the Glory

Association G.A. Missions Day Camp, July 27 - 28, included 39 G.A.' and one future R.A. from 12 churches and 25 adult leaders enjoying many of the same activities as at the week-long camp. Each day at camp started at 9:00 a.m. and ended at 1:00 p.m. Most of the facilities of the camp were utilized for teaching and activities. The most outstanding "adventures" were learning the Deaf Sign Language taught by Holly McKee and her helpers; a birthday party for our prayer calendar missionary; and swimming; cold watermelon for lunch on Wednesday. Our G.A.'s brought a generous mission offering with $6.52 for migrants and $10.37 for the Larry Rice missionary family. Much appreciation is expressed to Jane Lewis who was in charge of transportation and to all who helped her and me at camp. I praise the Lord for each one who came and who made camp "happen.

Hilda Sitton, Associational G.A. Direct

FOOD SHARING MONTH

September has been set aside as the month for churches in Carolina Baptist Association to share food and money to purchase food with needy Henderson County families and migrants. WCCA is coordinating this cooperative effort. COLLECTION DATES: SUNDAY, AUGUST 22 and 29. The food is to be taken to the Associational Office on Tuesday, August 31. June was also the month for Carolina churches to share in this ministry. They were generous in their giving and met the need at that time. The need is greater now because of the lack of jobs due to the weather and the apple crops. So look in your pantry and share with those less fortunate.

ANNUAL MEETING

Time for our Annual Meeting is almost here and committees are busy trying to get everything ready. The Finance Committee has met and will recommend the addition of $6,000 for the camp to be added to the regular Associational budget.

The Executive Committee will recommend a change in the structure of that committee. This change will allow us to meet with church leader three times a year and give an opportunity for more people to have a part in Associational work.

The Recommendation is:

> That the Executive Committee meet quarterly with a change from 2 elected representatives to that it be composed of the Pastor, Sunday School Director, Church Training Director, WMU Director, Brotherhood Director, Chairman of the Deacons, and the Music Director.
>
> That the format be changed to the following:
>
> | | |
> |---|---|
> | 6:00 - 6:45 | Meal |
> | 6:45 - 7:45 | Group Meetings |
> | 7:45 - 9:-0 | Executive Committee business |
>
> That the meetings be hosted by the churches of the Association and the cost of the meal be $2.00.
> That the meetings be open to anyone wanting to attend.
> Voting rights limited to elected Executive Committee members.

Help us continue to develop a strong Associational Program by including at least 5% in your budget for the Association. About 10 of our churches have already reached this goal.

MESSENGERS

Messengers should be elected by your church for the Annual Meeting. Each church is allowed one messenger for each 50 church members. The Meetings will be at Mountain Home Baptist Church beginning at 7:00 p.m on Monday, October 25 and at Refuge Baptist Church beginning at 4:00 p.m. The change in time for the meetings has been made to allow more people to attend.

Dear Christian Friends:

When I took typing in high school, one of the sentences that we typed was "Now is the time for all good people to come to the aid of their country." With all of my heart, I believe that now is the time for all good Carolina Baptists to come to the aid of our Association. We are reaching out into many needy areas, however, with the full cooperation of all our churches, there is so much more that can be done. Any help that you give will be richly blessed by God.

Church Training will promote two meetings on Equipping Disciples at Mud Creek Baptist Church October 1-2. The Friday session will meet from 7:00 p.m. until 9:00 p.m., and the Saturday session will meet from 10:00 a.m. until 12 o'clock noon.

October 3 has been designated North Carolina Missions Offering Day. Don't forget that this offering takes the place of six offerings we have received in previous years. The Week of Prayer for North Carolina Missions will be October 3-9.

The senior adults will sponsor a study on Evangelism Explosion October 7, 14, and 21 from 7:00 p.m. until 9:00 p.m. at the Associational Office. These sessions will be open to anyone interested in evangelism.

There will be a Media-Sponsored College Day for all high school students and their parents at the Associational Office October 9 from 10:00 a.m. until 3:00 p.m. Materials from all of our Baptist colleges in North Carolina, South Carolina, Virginia, and Tennessee will be available.

October 10 will be observed as World Hunger Day. Most of the world goes to bed hungry at night. Do we really care?

The Youth Council and the Camp Council will meet at the Associational Office October 11 at 7:30 p.m.

There will be an Area Deacon's Training Program at Ridgecrest October 15-16.

The BYW will meet at Mud Creek October 21 at 7:00 p.m.

The first session of the Annual Associational Meeting will be held at Mountain Home Baptist Church October 25 at 7:00 p.m. The second session of the Associational Meeting will convene at Refuge Baptist Church October 26 at 4:00 p.m. Please pray for these meetings, and plan to be present for all sessions.

May God always smile favorably upon you.

Sincerely in Christ, William Willingham

ANNUAL MEETING HIGHLIGHTS

Association Sets Sunday School Goal

The Association set a goal to encourage each church to try to enroll two people each month in Sunday School. Allen Jewett, Sunday School Director, shared statistics at the annual meeting that showed our church averaged less in 1980 than 1960. He challenged the churches to turn this decline around by trying to add two members to our Sunday Schools per month.

Sunday School Directors and Pastors - - would you suggest that your church adopt this as your church goal?

Camp Committee Makes Recommendation

The Camp Committee recommended that the Association allow them to raise money for a new pool. The project was approved. John McGee told the Association of the muddy condition of our swimming lake. This increases the danger of drowning and health problems. A gift of $100 or more by 400 people would provide a nice pool for the camp. If you can make a gift for the pool, please call the Association Office - 693-4274 or John McGee - 685-8343.

Attendance High

The Monday night session at Mountain Home required seats to be placed in the isles. The Tuesday session at Refuge almost filled the church. Both churches were excellent hosts.

HOW TO PRAY FOR OUR MISSIONARIES

After you say, "And, Lord, bless the missionaries who have a birthday today," how do you pray for people you do not know? Ten specific prayer requests/needs are common to most foreign missionaries.

1. Physical health. Pray that missionaries may have good health even though they may live where diseases abound and often not having uncontaminated water to drink and safe food to eat.
2. Language. Pray that the missionaries may become confortable talking,shopping, preaching, and thinking in another language.
3. Relations with nationals. Pray for cross-cultural understanding where misunderstandings can arise even among Christian brothers.
4. Missionary kids. Pray for the MK's who must learn to live in two cultures, adjust to parents busy "missionarying," and often to boarding school away from parents at an early age.
5. Emotional health. Pray that the missionaries may feel the presence and call of God everyday.
6. Safety. Pray for the missionaries' safe travel, often in hazardous conditions. Pray for their safety against robbers, thefts, and the threat of war.
7. Doctirnal understanding. Pray that the missionaries can spot indigenous forms of worship or local Scriptural interpretations that are not Christian. Also, pray that they may recognize the cultural customs that would enhance local worship.
8. Family in States. Pray that the missionaries may be assured that God cares for their beloved ones more than they do and can do what is best for them.
9. Spiritual growth. Pray that the missionaries will fit time into busy schedules for prayer and Bible study and that messages to grow on from His Word and prayer will be revealed.
10. Weather. Pray for good weather and missionary's patience in bad.

EXECUTIVE COMMITTEE MEETING

EACH CHURCH SHOULD BE REPRESENTED

PASTOR
SUNDAY SCHOOL DIRECTOR
WMU DIRECTOR
CHURCH TRAINING DIRECTOR
BROTHERHOOD DIRECTOR
MUSIC DIRECTOR
CHAIRMAN OF DEACONS

Executive Committee

What does the Executive Committee do? This group meets three times a year to conduct the business of the Association between its annual meetings. This year the Committee will hear important information on the future direction of our camp. There will be reports of the committee studying our future office needs and reports of summer migrant missions plans along with other items of business.

If your church is to have a voice in what our Association of churches is going to be doing, your church representatives need to attend the Executive Committee meetings.

There will be two parts of the meeting on January 18 th. at Main Street Baptist Church. The first part will be the business section from 7:00 to 8:00 and the second part from 8:00 to 9:00 will be group meetings for the Sunday School Directors, Church Training Directors, WMU Directors, Brotherhood Directors, Music Directors, Chairman of Deacons, and Pastors.

The Executive Committee representatives will have two responsibilities

1. Help decide on actions of the Association.
2. Inform the church of what the Association of churches is doing.

We can do more for our Lord if we work together as churches and support each other than we can if we work as seperate churches. This is the reason the churches joined together to form an association.

WE NEVER WANT TO TELL EACH OTHER WHAT TO DO

but support and work together to touch lives in our area with the genuine love of Jesus Christ.

As you can see from the list on the front of the Newsletter there is a new structure for the Executive Committee. Each church is ask to send the 7 persons named. If your church does not have a person elected to one or more of these offices, the Constitution says you may elect a person to represent that office for your church.

I look forward to a good year in the Association and pray that each of you will have the joy and satisfaction of knowing you have been used by God in His work during the coming year. Thank you for letting me serv Him by being your Director of Missions.

Bold Mission Thrust
ACTS 1:8
THROUGH THE COOPERATIVE PROGRAM

Dear Christian Friends:

1982 has joined the parade of past years. We have had our share of successes and disappointments. We are deeply grateful for good health, good will, and sincere friendship.

As we take an inventory of 1982, we can see ways in which our Carolina Baptist Association has succeeded wonderfully. Then, again there are areas in which we have not done so well. Last year our churches supported the overall program of the Association better than they did in previous years, and for this we are thankful. Financial gifts have shown an increase, and this is encouraging. Other phases of our work are equally encouraging. We are deeply grateful to you who have thus shown your loyalty to the work of your home church and the Association. As we look back now, "The door is closed, and no man shall enter in by it."

Looking ahead--"A great door, and effectual is opened unto us." Doors of service are opening to the Carolina Baptist Association. So much more should be done through evangelism and organizational meetings and services.

Because of your loyalty in the past year, it is with joy that we anticipate sharing with you in the work of the Kingdom for another year. We are here to serve you. We covet your prayers and advice, and so please share your ideas with us.

We want you to make plans now to be present at the next Executive Committee meeting at Main Street Baptist Church January 18, at 7:00 P.M. In the first hour of our meeting, we shall take care of important matters of business. Then we shall divide into organizational groups, and the directors of our various organizations will be in charge. We believe that this change in the structure of the Executive Committee meeting marks a step forward and will help to strengthen all of our churches. It is important that you and the other key workers in your church be present for this meeting.

This letter is to tell you how much your co-operation and prayers have meant to us and to send you a real old-fashioned wish for a good year in 1983!

Sincerely in Christ,

William W. Willingham

Woman's Missionary Union

At this Holiday Season, I would like to thank everyone who is involved in WMU because you are giving of yourself all year long to teach missions and be involved in missions. Thanks to a great WMU Council and all the work they have done.

As we go into this wonderful holiday season and think of God's great gift to us through His Son, let us think of what we can give God. During the past year we have been without a Mission Friends Director. Surely there is someone who could give their time and talents to this position. If God lays this on your heart, please call me. Happy New Year!

WILL YOU HELP?

Dear Christian Friends:

It is estimated that the efforts of only 1 per cent of the total population moves the world forward. What do you believe to be the percentage of church membership which causes the program to go on?

We read and hear that on every side there is a turn towards religion in the United States. Could it be true that more are being born into the Kingdom of God or are we just adding names and numbers to our church rolls?

I read recently about a church in New Jersey. The church bulletin compared the statistics of the home congregation with those of 50 years ago in the same church. Today the church has a resident membership almost twice as large as it did 50 years earlier. Attendance averages for the morning worship service now less than half the attendance 50 years ago. The attendance at Sunday School has fallen off even more. In this church, at the present, there is no evening service and no mid-week prayer meeting.

In those last 50 years, the church has welcomed many new members. What has happened to them.

In Ohio another survey reveals in a number of evangelical churches the following:

20% of the members never attended church.
40% never gave through the home church.
50% never attended Sunday School.
90% never prayed together as a family.
95% never tithe their income.
95% never invited a person to become a Christian.

If a man had an apple orchard such as one of these churches, he no doubt would sharpen his pruning shears and cut many of the limbs off. First, he would nurture the trees and try to get them to produce. I don't believe a nurseryman would allow a tree or an orchard with dead branches to stay for long. Revival is needed. Christ is the answer. Yes, He wants us! Let us pray for our churches, and let us give our wholehearted support to them. Let us attend our church's services and practice doing His will.

With Christian love,

William W. Willingham

MEDIA

The quarterly Carolina Association Church Media Library meeting will be held Monday, February 28 at 7:30 p.m. in the Associational Office.

Sharon Gentle, Education Director, will present ideas for Media Education in Church Media Libraries. Another feature of this meeting will be having Larry Rice share information about his work in Media in Venezeula and information he has gained through conferences attended while on furlough. All Media Directors, staff and anyone interested in Media or meeting Larry Rice, are invited to attend.

Larry and Kay Rice are missionaries to Venezeula on furlough and living in Hendersonville. Larry is Director of Communications and Music. Kay works with him in this field. The Rices are available to come to churches and share what they are doing and offer help in Media, Music or Missions. If you would like to have the Rices attend your church, contact them at 693-6224.

Hazel Duncan, Associational Media Services Director

DUKE POWER WEATHERIZATION

Duke Power Company is sponsoring a community action Weatherization Program. Through this program, local volunteers are recruited to winterize homes with caulking, weatherstripping, and plastic storm windows. All materials are being donated by Duke Power Company and training to install properly is provided. Many churches and civic groups have already formed weatherization teams to participate in this effort. But with the goal of winterizing more than 10,0000 homes, you are needed.

If the Pastor of a church is willing to certify that a family has need of this program, he may go by Duke Power Company and get the materials simply by signing for them. If you have need of this program, or are willing to assist in this effort, call Duke Power Company, 692-6211, or the Associational Office, 693-4274, for more information.

NOTE

Make plans now for the Doctrinal Study in April. The Doctrine of Biblical Authority is the book to be studied.

WOMAN'S MISSIONARY UNION

WMU Focus Week, February 13-19, began with a Calling Tea at Refuge Baptist Church on Sunday, February 13. The objectives of Focus on WMU are: 1. To present WMU as an organization used to accomplish its part in the church's work locally and globally; 2. To recognize the leaders and members of WMU; and 3. To express appreciation to WMU leaders, the pastor, and church staff.

The Week of Prayer for Home Missions and the Annie Armstrong Easter Offering are scheduled for March 6-13. The SBC goal is $25,000,000. What will be your church goal?

The theme for the Home Mission Graded Series Study is "Church Planting. Each age group has a book in this subject area.

The Annual State WMU Meeting will be held at Ridgecrest on March 18 and 19,1983. This will be more convenient for those in this area to attend. Make plans now and consider "Car pooling."

March 15 is the date for the Acteen Mother/Daughter Banquet to be held at East Flat Rock Baptist Church starting at 6:30 p.m.

Construction to Begin on Camp Pool

The Camp Council has raised $15,000 so far for the pool at Camp Bear Walla. Bids received for a 30′ x 60′ complete pool are $32,000. We are approximately half-way toward a complete pool which would be an inportant addition to the camp safety and attractiveness. The Camp Council believes the importance of the pool is so great that they are going to start construction and go as far as possible with the funds available.

WOULD YOU HELP THEM COMPLETE THE PROJECT? There are several who could make substantial gifts toward the pool. Is this possible for you or someone you know? Would you make the effort to try to raise money for the pool? One envelope is enclosed with the Newsletter and others are available at the Associational Office. We can finish this job if we are willing to work. Let′s do it!

Dear Christian Friends:

Sometime ago a minister was lamenting with a doctor friend about the lack of interest shown by so many of his church members in attending church services. The doctor said something like this: "Pastor, about half the members of 'your' church are like one of my patients. This patient of mine came to me several years ago with a chronic complaint. I told him, 'There are certain things which you must do if your life is to be prolonged. Then, there are some things which you cannot do if you want to live on this earth.' I also told his what he must do and what he must not do. Pastor, even though I warned him, I know that this patient will not be alive six months from now. Perhaps he could live for another ten years if he would do as I tell him. He deliberataly fails to use my advice. Recently, I told him, 'Every time you do this, you are driving another nail in your coffin!'"

"Pastor, I have heard you preach most every Sunday. I know you tell your people that to neglect their church is spiritual suicide. If I were in your pulpit, I would tell the people, 'Every time you neglect your church, you drive another nail in your spiritual coffin.'"

"Doctor," said the pastor, "I think you are right, but I don't think I would dare use such blunt language."

The doctor replied, "Yes, and that raises the question, 'When a a patient is dying, should the doctor tell him about it?' I believe he should."

Could it be that this story should have meaning for you and for me?

If 80% of our church members would attend church services regularly, I believe a spiritual revolution would occur in the Carolina Baptist Association. We are counting on YOU to do YOUR part in making this come to pass.

We call upon you to support the work of your own church and of the Association with your prayers, offerings, and attendance. The Lord will richly bless us for our faithfulness.

Sincerely in Christ,

William W. Willingham

V.B.S. - A Tool for Outreach

Vacation Bible School is sometimes neglected as an outreach ministry. Careful examination of the enrollment list may reveal families that are prospects for your church as well as families who have not been regular in attendance. The weeks following V.B. S. is a wonderful opportunity to visit these families an express an appreciation for their effort in sending the children to church and to invite them to Sunday School.

July 19,1983 NAPLES

Special

Planning . . . If progress is to be made by any group, the group must have some idea of where it wants to go. That is the purpose of this meeting. We want to talk about the things we want to do as an Association and establish some priorities. Our committees and councils will then take the necessary actions and make the appropriate budget request for next year.

If you are a Pastor, Chairman of Deacons, Sunday School Director, Church Training Director, WMU Director, Brotherhood Director, or a Music Director, would you please do the following:

Be at the Executive Committee meeting July 19th.

Review the list of suggestions on the opposite page

Spend some time thinking about what you would like our Association to do.

Talk to others in your church

Come prepared to share your ideas and help us make a new list of priorities.

Rev. Jim Royston, from the Mecklenburg Association in Charlotte, will be here to lead us through the planning process.

There is a need for clothes for babies, young children, and smaller sized work pants for men and boys.

Also anyone, especially youth, interested in working with puppetry, recreation, and Backyard Bible Clubs, please contact Virginia Rhymer, 693-4274. This would be a great project for R.A´s, G.A.´s, Acteens, B.Y.W.´s and Youth Groups!!

There is a great need for anyone who can speak Spanish. Each year there are more Spanish speaking people coming to our area and not enough Spanish speaking workers to meet the needs. Also one camp needs small apartment size gas stove. If you can meet any of these needs, call Virginia.

A BUDGET ALERT! **A BUDGET ALERT!**

January 1, 1984, will be a significant date for your church, your minister and your church employees. For the first time the church must include all personnel (except the minister) in Social Security. The cost to the church will be 7% of the employee's pay. The church must also withhold 6.7% from the employee's wages. Thus together, your church and employee, will be paying 13.7% of pay as social security (FICA) tax.

On that date the cost to your minister (self-employed) will increase to 14% of salary plus housing allowance. This is an increase from 9.35% to be paid in 1983.

ANNUITY BOARD SOUTHERN BAPTIST CONVENTION 511 NORTH AKARD BUILDING DALLAS, TEXAS 752

I appreciate so much the action of the Executive Committee to give me an allowance for one-half of my Social Security taxes. I hope your church will do at least that much for your pastor. Most of the taxes advantages have been taken away from ministers and the Social Security tax has become a burden for many. Please take the initiative to talk to your Budget Committee about this.

If a church fails to give a yearly increase to its pastor, it really hurts itself. When the present pastor leaves, the church will find it's salary is so far behind it can't support the quality of leadership it wants.

G.A. CAMP REPORT

Our two associational G.A. Camps at Camp Bearwalla are history, but I thought you would like to rejoice in the Lord with me "for the things He has done." About 20 G.A.'s from eight of our churches joined 16 staffers, including two of our older G.A.'s who were CITs, on June 28 and 29 for G.A. Mission Day Camp. The girls gave a mission offering of about $8.00 to Rev. Jenkins, who spoke to us about missions in Idaho.

On July 25, 108 G.A.'s and Counselors from Buncombe and Carolina Associations joined together for G.A. Resident Camp. Of this number, 40 G.A.'s and 6 staffers came from 11 churches in our Association. Missions, Bible study, swimming (in our brand new pool), crafts, games, delicious eating and lots of fun were a part of both camps. A Circuit Riding Preacher led us in one evening worship service during Resident Camp. Several of our G.A.'s made first-time commitments and others rededicated their lives. Tammy Condrey from Brightwater and Grace Lasher from Fruitland won two of the three trophies for remembering the most about missions and Bible study during the week. A missions offering was taken and will be used for improvements at the camp.

Much appreciation is in my heart for the joy of having served as your Associational G.A. Director. I request your continued prayers and support to Suretha Norris, our new Associational G.A. Director. We are blessed to have her join with us in our Associational ministries.

"M" NIGHT 1983

DANA BAPTIST CHURCH

November 7, 1983

7:00 P.M.

Speaker: Maurice Cooper

Church Training

Baptist State Convention

Dear Christian Friends:

On October 24-25 we shall be observing the one hundred sixth annual session of the Carolina Baptist Association. As time draws near for our meeting, I would urge you to be in zealous prayer that God's Spirit will be manifested in all of the proceedings as we gather to evaluate the work that has already been done and to plan our work for the future.

As we take an inventory of 1983, we can see many ways in which our Association has succeeded wonderfully. Then, again there are areas in which we have not done so well. We are happy that a number of our churches have increased their gifts to the Association. With the coming of Reverend and Mrs. Jenkins to direct the work at Camp Bear Walla, the future of our camp looks extremely bright. Other phases of our work are equally encouraging. We are deeply grateful to you who have shown your loyalty to the Association. As we look back, "The door is closed, and no man shall enter in by it."

Looking ahead—"A great door, and effectual is opened unto us." Doors of service are opening to the Carolina Baptist Association. With God's grace and God's help, let us determine that we shall accomplish even greater things in the coming days. In the words of William Carey, let us expect great things from God and attempt great things for God.

Please know that it has been a privilege and honor for me to serve the Lord and the churches of our Association as Moderator for the past two years. It has been a pleasure and a joy to work with Brother Ron Pinkerton and his office staff. Let us resolve to pray daily for those dear people who will be serving you in the next year, and let us give them our wholehearted cooperation.

Sincerely in Christ,

Bill Willingham

INTERFAITH CRISIS MINSITRY

A new ministry is starting in our area. The purpose of this new ministry will be to assist individuals who are in emergency situations. A person will be employed full-time to direct this ministry. Those seeking help will be interviewed to help determine the immediate needs as well as plan for future needs.

This Christian program is being started to relieve the churches of the problem of exploring and determining the legitimate needs of the many people who come to us asking for help. It will also prevent duplication of help. The churches in this area will be ask to support the ministry by volunteers to work with the Director two or three hours a week to provide family support to help meet needs of those who have emergencies. This will be an excellent opportunity for your church to be involved here in our community. If you need more information or someone to talk to you about this program, please contact the Associational Office, 693-4274.

CAMP POOL

Often when work is completed on a project, people forget about the project. This has been the situation with the Camp Pool. A man was very generous to advance us some money to complete the pool. But we still need $5,000 to repay this individual. If you can make a contribution or know someone who would, please contact the Associational Office, 693-4274, or John McGee, 685-8343, Chairman of the Camp Committee.

REVIVAL PLANNING SEMINAR - JANUARY 16 & 17, 1984

Seminar Purpose: To give comprehensive information, practical guidance, and spiritual motivation to utilize the revival meeting to its fullest potential in reaching people for Christ.

Atheists Use Fake Petitions To Fool Christians: Murray

OKLAHOMA CITY, Okla.(BP)—Atheists keep alive the RM 2493 petition rumor to make Christians look foolish, according to William J. Murray.

Murray, the son of America's best known atheist, Madelyn Murray O'Hair is now a Christian and a Dallas minister.

He was in Oklahoma City recently and distributed a pamphlet, "Please Sign Here...The Great 2493 Fraud." In it, he says the American Atheist Center in Austin, Texas, continues to circulate a petition addressed to the Federal Communications Commission.

Murray alleges the fake petitions, which ask the FCC to deny an effort by O'Hair to ban all religious radio and television broadcasts, are printed by the atheists and circulated primarily in Baptist and Assembly of God churches and lately in Catholic churches as well.

Since 1975 more than 22 million of the fake petitions have been sent to the FCC even though the federal agency says O'Hair has never asked it to remove religious broadcasts from the air waves.

He says the tactic is designed to "Make Christians look foolish before the FCC which must approve applications for Christian radio and TV stations" and "issue to get even more free radio and TV time" for atheists.

Murray says, in reality, his mother does not want religious broadcasting off the air. "If it were removed, she could not demand free equal time," he said. The American Atheist Center has radio programs broadcast free throughout the nation, he noted.

"In addition, Mrs. O'Hair follows the religious leaders such as myself around the nation demanding free TV time from stations which broadcast our message of the saving grace of Jesus Christ," Murray noted.

Murray gives this advise: "Never sign any petition which does not have the name and address or the individual or group who sponsors it. None of the petitions titled '2493' has a name or address, just further proof that these are the work of the atheist groups."

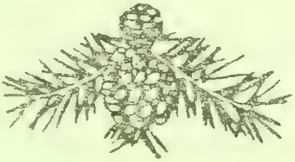
MISSION STORE NEEDS

As Christmas is getting nearer everyday, why not look at some of those good toys your boys or girls have grown tired of and consider giving them to the Mission Store so less fortunate boys and girls can have a Merry Christmas. We need only good toys, since we have no means of repairing them.

Another need is for pots, pans, dishes, linens, and especially furniture. If you have any of these items, take them to the store at 352 Seventh Ave. East.



CHURCH TRAINING ENABLER CONFERENCE - JANUARY 20 - 21

A Church Training Enabler Conference will be held January 20 and 21 at Fruitland. We are fortunate to have an Area-wide Church Training Conference so near us. State leaders will be sharing the latest ideas for all age groups.

Pastors and Church Training Directors should plan to bring their entire group of Church Training teachers and officers. This is one of the best conferences in the area of Church Training.

Being An Association"

ASSOCIATIONAL FINANCES

The past two months have been extremely tight financially for the Association. Several monthly contributions have not been received from churches who normally send checks each month. As a result we are running $2,000.00 behind in our operating expenses. This has meant that salary checks have been two to three days late on two occasions.

Please check to see if your church may have inadvertently overlooked the Association one month.

PASTORS WORKSHOP

How does a church plan a program so its members can develop in Bible study, training, missions, evangelism and stewardship? Which programs, put out by our convention, should our church promote?

All pastors face the problem of developing a well- rounded program for the church. I have ask Maurice Cooper from the Church Training Department and J.W. Hutchens from the Evangelism Department of the Baptist State Convention to come on February 21 and 22 to help us deal with these questions. I have ask them not to bring their programs but to come listen to us and help us develop a plan for discipleship for our church for one year.

We will meet at the Camp (in our remodeled dining hall) at 12:30 for lunch on Tuesday and will finish at 4:00. Wednesday morning we will begin at 9:30 and finish at 12:30. I realize this is a conflict with the Mountain Pastors Conference and that you will have to make a choice but I am also sure this will be an excellent opportunity for many who do not go to Ridgecrest. Call the office and make your reservations so we will know how many meals to prepare. Please let us know by Thursday, February 16.

MEDIA NEWS

Carolina Media Organization will meet Tuesday, February 28 at 7:30 p.m. in the Associational Office. The topic will be "Study Course Credits, Requests and Transfers." All Study Course records have been computerized and it is necessary to file a Transfer Request for those Credit Awards already held. These will be applied to the Diploma for which you are working.

Transylvania Media Organization has invited anyone interested to attend the training conference led by Keith Mee, Church Media Library Department in Nashville, for his book The Learning Team: The Leader, the Learner and the Library. Credit toward a Media Diploma can be earned at this study. This is also a good book for anyone in a leadership position. If you are interested in attending, call the Associational Office, 693-4274, and we will plan to go together.

IAM

Inter-faith Assistance Ministry was formed in April, 1983 at the request of the Henderson County Ministerial Association and meetings with interested churches. The purpose of this new ministry will be to assist individuals who are in emergency situations. Wanda Henderson has been employed as full-time Director. She conducted 258 since the office, located at The Cottage, Fifth Avenue West, opened January 2, 1984. This summary of the first month gives an indication of the needs in this area and how these needs are being met.

This service has been a tremendous help to the Associational Office. We do not have to screen people who come with us and try to determine if the need is a legitimate need or a duplication of services. Wanda has worked with us in this area while she was still with WCCA. She is well qualified to conduct this much needed service.

The Inter-faith Assistance Ministry is financed through contributions. Churches in this area are ask to support this ministry financially and with volunteers to work with the Director. While Wanda has relieved us of a lot of the paper work, she still needs our financial assistance. So why not make a contribution on a regular basis to the Inter-faith Assistance Ministry or volunteer to work with Wanda in areas of need.

SPIRITUAL RETREAT

Camp Bearwalla, a ministry of the Carolina Baptist Association, is a spiritual retreat at its best, with the very highest christian standards and ideals. Camp Bearwalla is located in the beautiful Saluda mountains between Hendersonville and Tryon on Highway 176.

The camp grounds provide primitive, rustic surroundings, an ideal setting for unsurpassed solitude. The chapel, pavilion, cabins, prayer garden, amphitheatre, all lend themselves to this beautiful setting. Campers can enjoy christian fellowship all four seasons when dates are available.

You'll find real adventure in the spiritual services and the outdoor activities. Fortunately, nature is our greatest source and provides us with a most awe-enspiring feeling of strength. The magnificent sparkling lake and the whispering stream along with the solitude of the forest trails offers a fabulous renewal mountain top experience for everyone.

This beautiful camp facility is available to church groups, such as adults, youth, sunday school classes, music groups, deacons, etc., for prayer retreats, Bible study, spiritual development all of which offer challenging possibilities for Christian fellowship and growth.

To make your program easier to plan, call the Associational Office (693-4274) or Camp Bearwalla, E. J. Jenkins, Director, (693-0881). Dates and reservations should be made ahead. Friendly suggestions and helps are available in planning for speakers, missionaries, Bible teachers, Life guard, recreational leaders, counselors, etc. Rates and accommodations including lodging, meals and the use of the total facilities are available upon request.

Counselors must be 18 years of age and of the same sex and should live in the same accommodations with the young people. Counselors should accept the responsibility of seeing that the proper conduct is observed at all times. A counselor should be provided with every 12 campers.

This is a religious assembly and not a summer resort. Regular clothing must be worn at all meetings, classes, etc. (swim suits are worn only for swimming and should not be bikini type). We prefer you not bring radios, tv, pets, and prefer no smoking in any of the buildings. Lights are out at 11:00 p.m. We want our campers to get the most and the best from the time while they are at Camp Bearwalla.

Some things to bring to camp: Bible, rain wear, coats/jackets for cool nights, comfortable shoes, flashlights, bed rolls or sheets and pillowcases, towels and personal things.

We have a Canteen available for refreshments and other needs, camp shirts ($5.00) and caps ($5.00) are available.

Each camper is expected to cooperate with all phases of the scheduled program and the assembly leadership, being mindful that this camp is an extention of the churches in the Carolina Baptist Association, and has been dedicated to the Lord for a spiritual retreat.

NATIONAL DEACON MINISTRY CONFERENCE

A Weekend (Friday supper through Sunday lunch) Conference for Deacon Ministry will be held April 13-15 at Ridgecrest. Program features will be conferences and messages in all areas of Deacon ministry.

ASSOCIATIONAL BROTHERHOOD DAY

An Associational Brotherhood Day will be held at Camp Bearwalla on Saturday, April 28, 1984. This includes Baptist Men, R.A.'s, and R.A. workers.

Our program for the Baptist Men will include sessions on NCBM, Agricultural Missions, Homeland projects, and prayer support. This will be a good opportunity for your men's groups to become aware of areas you could become involved with. Also for the churches which do not have an organized Baptist Men Group, this would be a good way to become informed on the work of North Carolina Baptist Men.

For the R.A.'s and workers we hope this will be a time of learning and fellowship as we try to reinforce the work you are doing now and give you new ideas. This also would be a good time for churches without R.A. Groups to become interested and get organized.

Another goal of this meeting is so those who have not been to our camp can be come acquainted with it and the fine facilities our Association has at Camp Bearwalla.

I hope you will start planning now to attend. More information will be forthcoming as final plans are made, so MARK YOUR CALENDAR - APRIL 28, 1984 now and plan and pray for it.

Dear friend in Christ"

An important item on our associational agenda is the Executive Committee meeting which is scheduled for Tuesday, April 24, 1984. It will be our pleasure to fellowship with the Mountain View Church for this occasion. The time for the supper fellowship will be given in another part of this brochure, but my emphasis at this point is to be sure that your church is represented. The pastor and other church leaders in your church are members of this Committee by virtue of their office. These meetings are important to the total work of the association. Among other things will be a report by our associational representative on the General Board. He represents us well in Raleigh as a member of the General Board. You will want to hear him share several things of importance to you.

It is my privilege to know Bob [illegible], who is our Summer Youth Worker in the association for the summer. I know him to be a dedicated Christian, an excellent musician and a good preacher. He has had quite a bit of experience in youth work. Perhaps you will [illegible]

ASSOCIATIONAL BROTHERHOOD DAY
CAMP BEARWALLA
APRIL 28, 1984

Our Associational Brotherhood Day is fast approaching, and I hope your church has already set this date on your church calendar.

As our program begins to take shape it partially looks like this: 9:00 - 9:30 Registration; 9:30 - 12:00 Morning Session; 12:00 - 1:00 Lunch; 1:00 - 2:30 Afternoon Session.

As stated before, our Men's program will really be a good one with the following sessions planned for the Morning session: Agricultural Missions - Buck Caudle; Home-Land Projects - Bob Foy; and Prayer Support - T.A. Lineberger. The R.A. program will include camp craft, missions, recreation and a devotional time.

If your church doesn't have an active Baptist Men or R.A. Group, this would be a good time to get one started.

Lunch will be served at the Camp. Donations will be taken to pay for the meal, or your Baptist Men's Group can sponsor to pay for the lunch of the R.A.'s from your church.

Pray and plan to be at Camp Bearwalla on Saturday, April 28th for this important day. If you need more information, please call me at 685-7307.

ASSOCIATIONAL EMPHASIS NIGHT

THURSDAY, MAY 24, 1984

7:30 TO 9:30 P.M.

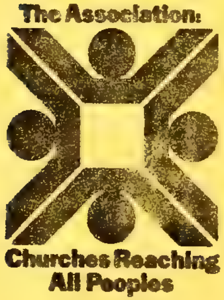
EAST FLAT ROCK FIRST BAPTIST CHURCH

This year the theme for Associational Emphasis Week is Churches Reaching All Peoples. America, a cultural mosaic of mankind, has the world at her doorstep. Our Carolina Association would like to share with you information on "Where We Have Been and Where We Are Going" as we strive to Reach All People.

Associational Emphasis Week is designed to create an awareness of and foster an appreciation for associational work among Southern Baptists. It is a time designed to encourage associations in telling their story in a manner that will elicit support of and involvement in their work. You will learn much about your Carolina Baptist Association as you hear the following speakers:

Rev. John Rymer, Moderator for Carolina Association
Miss Audrey Saunders, Missions Ministries Council
Rev. Mervin Garrison, Church Development Council
Rev. E. J. Jenkins, Director of Camp Bearwalla
Rev. Steve Underwood, Director of Youth Ministries
Rev. Ron Pinkerton, Director of Missions

Southern Baptists have made great strides in reaching all people. In the United States, Southern Baptists can be found worshipping in approximately 80 languages. Yet the task of reaching all peoples is far from complete. One church cannot do it alone, but an association of churches can do it together.



The logo for Associational Emphasis Week 1984, "The Association: Churches Reaching All Peoples," is an abstract illustration of four persons extending their arms in different directions. This signifies that churches in association are composed of individual Christians who are responsible for sharing Christ with others. All of these Christians will not reach out to the same people. Rather, each will reach out in a different direction; thus all peoples ultimately can be reached with the gospel.

CALLED EXECUTIVE COMMITTEE MEETING

SUNDAY, JUNE 17,1984

3:00 P.M.

At Building Site U.S. 64 East & Sugarloaf Road

To Discuss Purchase

of

Proposed New Office Location

CAROLINA BAPTIST ASSOCIATION, INC.

Associational Offices, 211 7th Avenue West
Post Office Box 249 • Hendersonville, NC 28793 • 704/693-4274

Dear fellow Christian and co-worker,

There will be a very important meeting of our Executive Committee on Sunday afternoon, June 17, 1984, at 3:00 P.M. I am fully aware that this day is Father's Day and that families will be visiting one another for this special occasion. However, I feel that the 3:00 P.M. time will provide an opportunity for a visit with the family and an opportunity to attend this meeting.

The Executive Committee meeting will be held at the site of a building which the Carolina Association would like to purchase as an office building. The building is located at the intersection of U.S. 64 East and Sugar Loaf Road. The building is the former Wilson Furniture Store.

This may be one of the most important moves which the Carolina Association has made in recent years. It is, indeed, a big undertaking to purchase a building for office space. I know that you will do your best to have a full representation from your church for this meeting. Most of you are aware that the Executive Committee members from each church will include the pastor, Sunday School Director, Church Training Director, Brotherhood president, WMU Director, Music Director and Chairman of Deacons. We want to have all of these persons from your church present for this meeting in order to give to us a wide representation for all of our churches.

Details of the proposed floor plan will be available for study as well as complete information concerning our plan to finance the purchase of the building. Some of us were present when we voted to purchase Bearwalla Camp. That was a staggering project, but that project has become a reality. The purchase of an office building is a staggering project, but I feel that with our churches working together in a cooperative spirit, we can again accomplish a great task for involvement in ministry for our Carolina Association.

Sincerely in Christ,

John F. Rymer

MISSION ACTION

Barbara Jean Connell has been assigned by the Home Mission Board of the Southern Baptist Convention to do lay-renewal work which includes personal witnessing and leading conferences in Australia and New Zealand from August 2 until August 31. This work is to be done in a different church each weekend.

Also in the early fall, when students have returned to college, there is a dire need for volunteers to help with Baptist witnessing at the World's Fair. Barbara Jean has been assigned to work in this capacity in New Orleans.

Individuals are responsible for most of their expenses. If you are unable to go on a mission trip yourself, perhaps you would like to share financially in these missionary endeavors. It would be appreciated. The Home Mission Board advises these donations would be tax deductable. Contributions should go through your church treasurer, designated for Barbara Jean Connell. Your church should then send contributions to Barbara Jean Connell, 1082 Mountain View Street, Hendersonville, NC 28739.

Barbara Jean covets your prayers as well as financial assistance during this time.

Summer Ministry UPDATE

A PUBLICATION FROM THE SUMMER MINISTRY OF THE
CAROLINA BAPTIST ASSOCIATION, INC.

BOB LOWMAN, JR. - SUMMER WORKER

June, 1984

YOUTH CO-OP

Our chief work this summer is in the area of local church ministry. The Summer Worker is going into the local churches to do the CO-OP, cooperative ministry between the Carolina Association and the local church. This summer, six churches have already signed up for the CO-OP. This week-long program of youth ministry is an option for another church that is interested, because there is one week left on the calendar. The week that is left is a short one, July 11-13. Give us a call if you are interested in it, OK?

The format for these weeks with the local churches is standard. Unless the church requests a particular program, the following ideas are used:

1. TALK TOPICS: These discussion ideas are chosen by the youth from a given list. The study/discussion of each topic is based in biblical concepts and related to the everyday living which we all must engage in.
2. Puppetry training: a basic course in puppetry, aimed at teaching the youth about this area of ministry and seeing if they are ready for it.
3. CHRISTIANITY VERSUS THE CULTS: A Study in the beliefs and practices of various cult groups, focusing primarily on the Mormon church. This study will put strong emphasis on the correct biblical belief and practice which Christians must hold and use in living life amongst such alien groups.
4. Recreation, singing, drama, and other ideas are utilized in the planning of these weeks together.

JOY EXPLOSION !!

IN ORDER TO GET US ALL TOGETHER, The Summer Ministry is planning two JOY EXPLOSION These two dates are already on the calendar,

JULY 28 AND AUGUST 18!!!!

These two events will be "youth rally" type meetings with special recreation, activities, music and message. Keep your eyes and ears tuned to your association's Summer Ministry, and we'll give you the wonderful details as soon as they are ready for you!

IF YOU WOULD LIKE TO HELP, TO SING, ETC... PLEASE give me a call at 693-4274. We will be more than happy to include you and yours in the planning!

Youth Leader's Fellowship

The Youth Leader's Fellowship is designed to give the youth minister/worker a chance to meet and have a chance to share his/her experiences with one another. As ministers we have needs too! So, through sharing our selves in these meetings, we can better do our work and be the Christians that God has called us to be.

We will be meeting on the SECOND MONDAY OF EACH MONTH, beginning on June 11. The other two meetings for the summer will be on July 9 and on August 13. We will meet at the associational office at 2:00 on those days.

YOUTH LEADERS: COME AND JOIN US FOR TIMES OF GROWTH, FELLOWSHIP AND CHRISTIAN LOVE.

Youth Camp!!

By the time this is delivered to you, the plans for YOUTH CAMP will be almost finished and all of the campers will have been registered! But, the camp is still to be! Please be praying for us as we enjoy a week together at Camp Bearwalla during the week of June 25 - 29. We'll be sure to give you a report of all that happened with us there. I'm sure that the Lord will deal with us well during our week together.

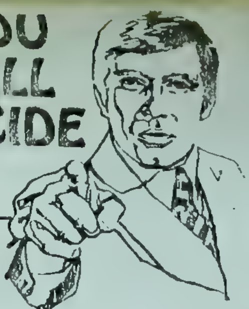
Bold Mission Thrust
ACTS 1:8

Backyard Bible Clubs!

Another way in which we can be better missionaries for our Lord is to reach out to children who need to know of Jesus and his love. The best way that I know to do that is through a Backyard Bible Club. This event is similar to a Vacation Bible School, only it is shorter (1½ hours per day) and takes fewer workers (1 teacher and 1 helper for every 7 children). This program is ungraded, so there is only one class! IF YOU WOULD LIKE FOR THIS OUTREACH TO COME TO YOUR COMMUNITY, Call the CBA office today for more information. We will be glad to come and train your people in this ministry, as well as help you do it! Give us a call if you are interested.

The Association:
Churches
In Fellowship
On Mission
In Their Setting

YOU WILL DECIDE



You will decide whether or not the Summer Ministry of the Carolina Association will be a success! YOU HOLD THE KEY BECAUSE WITHOUT YOUR SUPPORT, WE CAN DO NOTHING!!!

PLEASE COME AND SUPPORT US IN OUR PROJECTS, AND BE SURE TO TAKE ADVANTAGE OF ALL OF THE OPPORTUNITIES THAT ARE BEING OFFERED!

WE ARE HERE TO SERVE YOU! PLEASE LET US KNOW IF THERE IS ANYTHING THAT WE CAN DO TO HELP YOU IN ANY WAY. GOD HELP US TO BE WITNESSES TO HIS LOVE AND CONCERN FOR US.

Surveying-to-be-done

There are areas of our county and association that need reaching...and the best way to prepare for this reaching is to survey the area in question. The Summer Ministry of the Carolina Association is prepared to come and help you and your people survey your church's community or an area near your church that is in need of reaching for Christ.

CAROLINA BAPTIST ASSOCIATION OFFICE STAFF CHANGES

Gail Bradley, Bookkeeper, will be leaving the staff this week. She and her family will be moving to LaGrange, Georgia. Her husband, Steve, has been transferred to the Kimberly-Clark Corp. plant there. All of us who work in the Associational Office are aware of the wonderful contribution she has made to our work. Her radiant spirit and her efficient work are greatly appreciated by everyone. We pray God's richest blessings upon this family as they go to serve the Lord in other places.

Beth Marsh has assumed the Bookkeeping position. Her husband, Walton, is pastor of Fruitland Baptist Church. They have three children, Melonie, Becky, and Jonathan. We welcome Beth to the staff and look forward to working with her.

We also welcome Bob Lowman, our Summer Youth Worker. Bob has already started his work with the churches, and information about activities and schedules are in the Youth Section of the Newsletter.

Reverend Ron Pinkerton
Carolina Baptist Association
211 Seventh Avenue West
Hendersonville, NC 28793

Dear Ron:

We are approaching our second year of chaplaincy services at Pardee Hospital and I simply want to take this opportunity to say "thanks for your support and the support of Southern Baptist churches durin this time.

I was in the Associational Office today and one of the pastors indicated that one of his deacons knew of several of his church members who had not been visited by the chaplain. This might be a good opportunity to let the pastors know how my time is spent. We do the best we can to inform churches when members are in the hospital but I seldom routinely visit patients who have their own pastor. Most of my time is taken up with visiting "no church" patients, crisis and emergency referrals by nurses/doctors, educational responsibilities and counseling hospital employees. Please help me share this with church members if possible.

I feel a kinship for our Southern Baptist churches since my membership, training, ordination, and endorsement are all Southern Baptist. Please let me know if there is anything at all I can do assist pastors in their ministry. By the way, Henderson Coun "Chaplaincy Sabbath/Sunday" is scheduled for July 15 and bulle inserts are available.

Again, "thank you."

In Christ,

Rev. John Howard, EdD
Chaplain

Ministry of Carolina Baptist Association

PROPOSED ASSOCIATIONAL OFFICE

The Associational Council has delayed taking any concrete action on the building that we voted to buy at the called Executive Committee Meeting. The harmony and unity of our churches is so important we felt it would be best to give you an opportunity to discuss the proposal again at the Executive Committee Meeting, July 17, at the business session at 8:45 p.m. at French Broad Baptist Church. If you so choose, someone could make a motion to re-open the subject for discussion.

I want to be completely fair to those who voted to buy the building, those who had a different oppinion and some who were not able to be at the meeting. Our officers will work hard to see that accomplished. Please pray that we may feel the leading of God's Holy spirit as we try to find which direction He would have us go.

Ron Pinkerton

HAPPINESS RETREAT

Individuals most often overlooked in our churches are those with mental handicaps. We have an opportunity to work with some students from Ridgecrest to have a special event for these "Special Individuals." We plan to meet at Jackson Park, Friday, August 17 at 3:00 p.m. for games and a picnic to conclude at 5:00 p.m.

We need your help to identify the names and addresses of these Special People in your church and community. We are looking for those with an IQ of less than 70 who are 15 years old or older. Please take a minute to call the Associational Office to give us the names, addresses and telephone numbers so we can send them an invitation. We need this information as soon as possible.

Thank you for your help in this ministry to reach those with mental handicaps.

MEDIA

Carolina Media Resource Center has a Video player/recorder, TV and stand which is available to churches on a reservation basis. The Video uses 1/2 inch VHS tapes. The following tapes are in the Media Resource Center and may be checked out:

1. The Association: A Basis for Missions Strategy
2. Clergy Marriages in Crisis
3. Journey Home - Lottie Moon
4. Like a Mighty River
5. A Bible for Miguel - Carolina Association Migrants
6. Invitation to Life
7. Missions USA - Home Missions Update
8. Foreign Missions Update

Media Directors, if you do not have this equipment in your Media Library, now is a good time to think of budgeting for the equipment and the dish to receive BTN. BTN programming, available from Nashville via satellite, is designed specifically for local churches for education, inspiration and information. Monday, June 18th. BTN began transmitting, their first program was the Southern Baptist Convention live via satellite. Training programs for all church leaders are scheduled. Programs may be viewed when aired or taped to use at your convenience. VHS tapes will still be available but I think BTN is the training tool of the future. It would be a wise move to start budgeting for the equipment now.

Hazel M. Duncan, Media Services Director

MIGRANT MINISTRY

September 9 and 16 are important dates in the Carolina Baptist Association. These two Sunday afternoons there will be both English and Spanish Services for the migrants at Camp Bearwalla. The activities will begin at 2:00 p.m. with a picnic lunch, followed by English and Spanish Services. After the Services there will be a time for recreation.

We are asking the churches to help us with the food, transportation from the camps to Camp Bearwalla and the recreation. Would a soft ball team volunteer to help with some of this?

Please call the Associational Office, 693-4274 or Ruth Kearns, 692-2863 if you can help.

Summer Ministry UPDATE

* A PUBLICATION FROM THE SUMMER MINISTRY OF THE
CAROLINA BAPTIST ASSOCIATION, INC.
BOB LOWMAN, JR. - SUMMER WORKER

July, 1984

JOY Explosion !

On July 28, our first JOY EXPLOSION will take place!! It all happens...

PLACE: Etowah Baptist Church

TIME: 7:00 - 9:15 PM

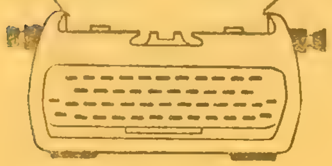
FOR WHO? Any young person between 12 and 50!
(The Youth of our Association!)

We will be having music, games, refreshments, drama, and Great Fun with each other from 7:00 til 9:15, So come and join us!

TALENT SEARCH! If you would like to come and sing, share some dramatic material (skit, monologue, etc.) or anything else at our Joy Explosion, you are welcome! JUST give us a call and we will put you down on the program. The number is 693-4274.

Co-op Report...

Our Co-op program is going great this summer! We have been in four churches so far:
Refuge
Oak Forest
Mountain View
Locust Grove.



PUPPETS?! VOTE...

We have the opportunity to have a great time and gain some beautiful puppets!! Ms. Reu Kayle of Kayle Kountry Puppets in Burlington is prepared to come and spend a Saturday with us and help us to make professional-type puppets. These puppets which she has designed and marketed herself are excellent, and are economically affordable. If one were to buy a professional-type puppet on the retail market, it could cost between $80 and $180, yet when persons who can sew come to one of Ms. Kayle's workshops, a puppet can be made under supervision for the low cost of $44.95. These puppets last for years and are easily handled.

Enough of the sales pitch...we have the chance to have this puppet making workshop in our association, and we need your response to make it a reality.

READ THIS!

IF YOU ARE INTERESTED IN GETTING SOME OF THESE GREAT PUPPETS, GIVE US A CALL AT THE ASSOCIATIONAL OFFICE: 693-4274. WE WILL THEN LET MS. KAYLE KNOW THAT WE WILL HAVE THE WORKSHOP.

BUT, YOU MUST DECIDE FIRST! LET US KNOW TODAY IF YOU WANT TO HAVE THIS WORKSHOP.

The tentative date for the puppet making workshop is August 11, and would last from mid-morning to mid-afternoon.

Camp Report

Youth Camp went well this year!! Meeting at Camp Bearwalla, the 40+ campers and counselors had a good time, although the Summer Worker escaped with minor injuries: a dislocated shoulder! But alas, the work, or rather, the show must go on! So we had a good time anyway!

Our theme was "FUN IN THE SON" and we believe that we truly did that...have fun in Jesus' way! The staff for the week included: Steve Underwood, Butch Dillingham, Renee Brown, Bob Lowman, Linda Underwood, and Karla Clark. Of course, the resident staff at Bearwalla, led by the fearless E.J. Jenkins, kept the entire camp in line, and blessed us with some great grub.

Thanks are extended to all of the great people who made the camp possible, especially the campers themselves!

KNOW YOUR NEIGHBOR!!

Would you know your next-door neighbor if you met them at church?? If not, you should be going next-door to meet this person! We need to all reach out to those people who live around us, and the best way to do that is to find our who they are by taking a survey of your home community.

Each of our churches ought to be involved in finding our who their people are... the folks who live next-door.

Give us a call at the associational office if you'd like to know more about surveying your community. We will be glad to help!

Happiness Retreat

On August 17, we have the privelege of working with a group of college students from across the United States as they come to our association to help us with a Happiness Retreat! These students will be at Ridgecrest Conference Center for National Students Week during the week of August 13, and will be coming to be with us on the 17th. Our group to work with that day will be those youth, aged 15 and up who have learning disabilities.

This day can be a great one for us, if we are prepared spiritually for it, and if we are on our toes! Please be praying for us as we get ready for this time of fellowship and fun with a great group of people.

Also, if you are aware of a person or persons in your church or community who are learning disabled, please let us know...and maybe they can join us for this day.

Just a note....

In just a few days, the Summer Ministry of the Carolina Association will gain a new staff member! (I'm getting married!)

Karla Deanne Clark of Etowah Baptist Church caught my eye at Wingate College a few years ago, and after much deliberation, we will be united in marriage on July 15.

Karla was involved in the Summer Ministry here long before I was, for she served on the "Youth Council" during high school days, and grew up enjoying the youth ministries of our association.

We ask your prayerful support as we begin our life together, and we pray that God will use us in His will to share His love with all that we meet.

(I guess this means I'll have two bosses now..)

INFLATION HURTS PASTOR'S SALARY

Often churches let inflation creep in and take away from thei pastors salary without being aware of what is taking place.

EXAMPLE:	Pastor's Salary in 1979		12,000.00
	13% Inflation		x 1,133
		1980	13.596.00
	12.4% Inflataion		x 1,124
		1981	15,281.90
	8.9% Inflation		x 1.089
		1982	16,641.99
	3.9% Inflation		x 1.038
		1983	17,291.03
	3.8% Inflation		x 1.038
1984 Salary to stay even with inflation			17,948.09

If a pastor who was making a salary of $12,000.00 in 1979 does no make a salary of $17,984.09 in 1984, he has actually had a decreas in salary. You can insert your pastor's salary for 1979 and multipl by the same figures (above example) and determine if your pastor ha less salary now than in 1979. This of course does not take int account the fact that the 1979 salary may have been too low.

In addition to inflation, the pastor has had to face increased Socia Security taxes this year, so the church should make every effort t help him offset this cost.

Some people continue to count travel expenses as a part of salary. In most cases the pastor has to take a part of his salary to pay the cost of traveling so he can visit the sick and minister when needed. A minimum cost of operating a car for a part-time pastor, in a small church, is $2,700.00 at today's prices.

Please show love and concern for your pastor as you plan for next year's budget. Even if there is a disagreement with a pastor, withholding salary is a very childish way to punish him.

CALENDAR WORKSHOP FOR PASTORS

On August 28, 9:00 a.m. to 12:00 noon, I will be working with you to help plan for the next church year. I will share areas of concern for discipling church members, Associational events, and State events. If you have a planning calendar, bring it with you. If not, we will have calendar worksheets available.

INCREASE GIFTS TO ASSOCIATION

It is evident that most of our Association wants a new office building. Even though we did not agree that the proposed building was that "just right" location, our Office Space Committee is working hard to find the right location and hope to have another proposal before you in the near future.

As you plan next year's budget, please try to increase to 5% or more of your undesignated offerings for our Association. If our churches respond in this way, we will be able to handle payments on a new building. If your church would like to designate 1% of its increase to a building fund, this will allow us to have some money for a down payment. At present we have only $500.00.

SUNDAY SCHOOL CONFERENCE

We are fortunate to have the Sunday School leadership training at Ridgecrest so close to us. Plan to take your officers and teachers to this event. The registration cost is $13.00. We have additional registration forms and a poster with complete schedule in the Associational Office.

The conference on September 20th. at Fruitland will be a summary of the Ridgecrest training for those unable to go. Take advantage of these training opportunties to improve your Bible teaching program.

Some Advice for You

Here it is: learn to mix FUN and Fellowship with your youth group.

Many groups are having a LOT of fun, yet they are not getting the meat of good, strong Bible study and prayer in their living. If these youth are not fed from the Word, they will either starve spiritually, or they will go to another source for food...for example, a cult group. The sad story behind this is that most do not get involved in a cult group. They simply die spiritually. If a person is not firmly planted in spiritual soil, they will wilt and perish...like the seed that the sower planted on shallow ground. Make sure that your youth are being fed, and led in Jesus' way. Preaching is not enough!! We must reach them on their own turf...in their own language...in the love of God. Then we will begin to see Christians who are vibrant and alive in Christ.

POTPOURRI

Here is a sampling of the Summer MInistry's activities this summer. You probably would not know about it...so here it is.

We were involved in:

*Working with seven local churches for a week.
*working with other churches on a "one day" basis.
*Serving at Youth Camp.
*Preaching in local churches
*Singing in local churches
*Planning and leading our Joy Explosions (two of them).
*Serving as an Associate Chaplain at Pardee Hospital.
*Leading recreation at G.A. Camp.
*Working in the Associational office.
*Publishing a monthly newsletter.
*Planning a puppet making workshop (which didn't receive any response)
*Helping plan our Happiness Retreat for August 17.

Interfaith Chaplaincy:

AN OPPORTUNITY TO CARE....................

This summer provided the Summer Worker with the opportunity to serve as an Associate Chaplain at Pardee Hospital...to "carry the beeper!" This experience was one which did several things. It acquainted me with death in a very real sense, as well as helping me to better learn how to help people who are experiencing it.

Dr. John Howard, Chaplain at the Hospital is a person with whom we all should be acquainted. Each of our churches needs to recognize the tremendous ministry which he is in charge of, and to which we all owe a great debt.

Perhaps the greatest benefit of the program for the ministers who are involved in it is the chance to share with other Christian ministers who are a part. Just this morning, August 8, we all met for breakfast. That experience shall be with me for a long time. I sat with ministers from the Catholic, Presbyterian, Methodist, Episcopalian, and Seventh-Day Adventist churches...and with all of our differences, we didn't have any more sense than to sit together and laugh and share the love and fellowship of Jesus, our Lord. It was as if our Lord himself was with us...for the bounds of our denominational differences were erased as we enjoyed the unity of the Spirit in the bond of peace.

Support the Chaplaincy program at Pardee Hospital...it is producing more benefits than anyone ever imagined, except for the Lord who inspired it!

farewell and Godspeed

Thanks to you all, the Summer MInistry has gone well. God bless you, and I shall be in touch through prayer and word. May you never fail to see and reach toward God's will for you in Christ Jesus. We have a task to perform, in His name!

SUMMER MINISTRY UPDATE

A PUBLICATION FROM THE SUMMER MINISTRY OF THE
CAROLINA BAPTIST ASSOCIATION, INC.

BOB LOWMAN, JR. - SUMMER WORKER

FINAL ISSUE

August, 1984

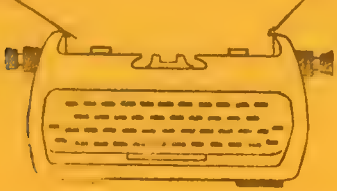
Co-Op Report: '84

This association's primary emphasis during the summer months is and has been an involvement in the local churches- one-on-one. This summer, the Summer Worker was involved in seven local churches during seven different weeks. Those churches were:

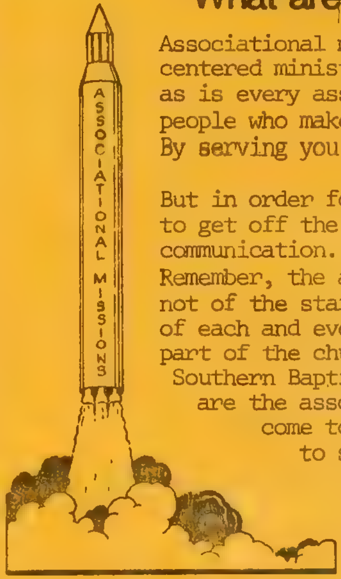
*Refuge
*Oak Forest
*Mountain View
*Locust Grove
*Etowah
*Pleasant Hill
*Mills River

Each of these churches presented a different need to be taken care of, and hopefully those needs were dealt with. Such things as peer pressure, cults, anger, romance, sex, and other items of importance were dealt with as the various groups met with each other in their local church settings. God blessed us, and we knew his presence as we were together. It is hoped that the groups which were involved in the Co-op program will continue their own growth and ministry on their own.

God bless you all as you continue to lean on him for guidance and life itself.



What are we doing???



Associational missions is a people-centered ministry...for we are here, as is every association, to serve the people who make up this association. By serving you, we serve our Lord!

But in order for associational work to get off the ground, there must be communication...from both ends. Remember, the association is made up not of the staff on 7th street, but of each and every Christian who is a part of the churches that make up our Southern Baptist fellowship. YOU are the association, the ones who come to the meetings, and work to share Jesus love with all those around. Become an active part of our work here. Call us at 693-4274 to find out what you can do!

JOY EXPLOSION!

The FINAL Joy Explosion of the summer will be held on August 18 at 7:00 pm at Etowah Baptist Church. This is for all of the youth in our association, and all of their friends! Again, EVERYONE is invited to come!

CHURCHES TO OBSERVE PORN AWARENESS WEEK

Pornography Awareness Week has been set for October 28-November 4. This is the third year that Pornography Awareness Week (PAW) has been observed, and this year promises to be the largest observance yet. Many denominatins are promoting the week within their denominations.

Saturday, October 27, will be a DAY OF PICKETING. Local churches are encouraged to organize a picket for that day in front of a store that sells pornography in their community. Sunday, October 28, has been designated as DECENCY SUNDAY. Pastors are urged to preach on the theme of decency on that Sunday.

DEFICIT TAX REDUCTION ACT OF 1984 -July 18, 1984

Section 2603 - - Social Security Treatment of Church Employees

Permits any church or church-controlled organization (including convention or association of churches or an elementary or secondar school) to elect irrevocably to have services performed by it employees excluded from employment for Social Security purposes This election can not be revoked by the church or organization. Th church or organization must state that it is opposed for religiou reasons to paying Social Security employer taxes and must make th election before the first date, more than 90 days after enactment, o which quarterly employment tax return would otherwise be due October 31, 1984. The election will apply services performed afte December 31, 1983. Churches and organizations which exercise th election option and which have paid Social Security with respect t services performed after December 31, 1983 may receive a refund o both the employer and employee share of the taxes if they agree t pay the employee share to the affected employee.

The Secretary of the Treasury is directed to permanently revoke a election if a church or organization fails to file informatio returns about the remuneration paid to the employees for a period o 2 years or more.

Employees of the churches and organizations which make an electio will be treated as self-employed persons for Social Securit purposes. However, they will be subject to a $100 per year coverag test (like other employees of nonprofit organizations) instead of $400 per year test (like self-employed persons). Also, they will no be permitted to deduct business expenses from their earnings for ta and coverage purposes.

This provision is intended to provide manditory Social Securit coverage for employees of churches and other nonprofit organization and at the same time allow religious convictions of certain employin churches to reflect in the choice not to be subject to the employe tax.

This information is from the Social Security Administration. For 8274 will be available in the Associational Office. These forms ar to be filed if the church wishes to have their employees exclude from employment for Social Security purposes. The church will stil be required to file Form 941E and issue W2 forms. Failure to fil these forms will void this election. This is the only way this chang can be made, once the church has filed for exemption. Employees o the church who receive $100.00 for services will be treated a self-employed and be required to pay estimated tax quarterly. Yo need to look very carefully at this election, this decision cannot b changed by the church. However, if you do plan to make thi election, you should contact the office, get the forms, fill the out and return them to IRS by October 31, 1984.

MISSION ACTION

Mission Action/Personal Witnessing is a project geared toward the child and the parent. We are requesting new toys, games or handicrafts suitable for children birth through age twelve. After toys are collected, we will be inviting the parents to come in to select gifts for their child. While they are here a period of personal witnessing will take place with the parents, then they will receive the gifts. Toys, money, or S&H and TV stamps will be accepted. These items should be brought to the Associational Office. DO NOT WRAP THE GIFTS. Let´s get started now - Christmas is only two months away.

Barbara Jean Connell, Mission Action

SINGLE ADULTS

We would like to begin an Association-wide ministry to singles using the established singles Sunday School classes. We will have a monthly program and time of fellowship. This is due to a lot of prayer and concern for the singles who would like to have Christian fellowship and Bible studies as a group to follow God´s will and reach out to others. There is a need for single Christians in the Association who have special needs. We ask your continued prayers and help in beginning this work. Our future date will Sunday, November 4 at 3:00 p.m. at the Association Office. We cordially invite all who are involved in a singles class or who are interested in beginning one at your church.

Judy Sinyard

MIGRANT COMMITTEE

The Migrant Committee would like to thank all the churches who provided food for the picnic on September 9 and 16, all the ladies who helped serve the food, Mr. and Mrs. Jenkins who worked so much getting it ready, Mr. and Mrs. John McGee, the Senior Citizens of the Carolina Association who provided hot dogs, and especially Mrs. Sandy Campbell who made all the telephone calls and was responsible fro planning and getting all the food.

We would also like to thank Rev. Flor Morales for the Spanish Service, Rev. John Rymer for the English Service, and all the workers who taught the children. Thanks to all who helped in any way make these two great days for the Lord. Souls were saved.

FROM THE MODERATOR

I thank you for the confidence placed in me when you elected me to serve as Moderator of the Carolina Baptist Association. I hope to get to know many of you personally during this year. There is much work to be done and dreams to dream. I ask for your prayerful support and cooperation.

I will be calling some of you for help and advice during the year. I would hope many of you will make comments and suggestions. We must always remember that we are part of the Lord´s business. That´s the most important business in the world. With that in mind, let´s remember to give it our very best.

During the holiday season that ends this year, may your joys and blessings find both beginning and an end in Jesus Christ our Lord.

STEP 1. **Understanding your child's behavior and misbehavior.**

STEP 2. **Understanding more about your child's emotions and yourself as a parent; recognizing the differences between "good" parents and responsible parents.**

STEP 3. **Learning to use encouragement, instead of praise, to build your child's confidence and feelings of self-worth.**

STEP 5. **Communicating your ideas and feelings to children; helping your children to explore alternative ways of behaving.**

STEP 6. **Replacing reward-and-punishment with learning-from-consequences.**

STEP 7. **Applying natural and logical consequences to the challenges of child-training; acting positively, rather than reacting negatively.**

STEP 8. **Establishing family meetings that encourage democratic family relationships.**

STEP 9. **Developing confidence and growing as a person, as well as becoming a more effective parent.**

IT'S YOUR DECISION

BEING AN ASSOCIATION

For me the end of the year was a down period. I looked back at all the things I had hoped to accomplish and at times wondered if any progress had been made! However, with new planning, I am beginning to catch a new vision and dream and some excitement is returning.

I am not sure whether others have had similar experiences or not but I do hope the new year is bringing some new encouragement and dreams.

There are three areas of dreams for the Association for 1985.

1. Be able to do a better job of reaching new residents in our Association.
2. Get a Spanish Mission Church underway and prepare for additional new work.
3. Get a new Associational Office under construction.

These may not be your dreams but I hope we can put our efforts together and make a significant advancement for our Lord.

The mission project of sharing toys and the meaning of Christmas to 52 needy families in our Association was tremendous. The experiences of that day brought tears to my eyes. I wish you could have been here. Thank you for sharing to make this project possible.

Pastors, Truman Brown, Pastoral Ministries consultant from the Sunday School Board will be coming to our Association on January 29th. for a day workshop on "Building an Effective Church Council." Please mark your calendars. We had to change our date from March 5th. because Sunday School Board Staff have to be at home that week.

Ron Pinkerton

FROM THE MODERATOR

The January meeting of the Executive Committee of Carolina Baptist Association will be one of the most important meetings of the year. The decision to be made and the information to be shared about associational work will be challenging. I ask that every church be represented.

Please continue to pray for our Association and staff members. Henderson County and Polk County is a great mission field.

Mervin J. Garrison, Moderator

MEDIA WORK NIGHT

The regular quarterly meeting of the Carolina Media Organization will be a "work time" to help process materials for the Media Resource Center in the Associational Office. There are a number of items to be processed and put on the shelves for circulation. All talents can and will be used. So mark this date on your calendar and come for "hands on" learning experience as well as a tremendous help in getting material ready for circulation.

Also keep in mind the March 15-16 dates for our HOW TO PROCESS Workshop with Keith Mee from Nashville. It will be held at Hendersonville First Baptist Church from 7:00 to 9:00 p.m. on Friday, March 15 and continuing on Saturday, March 16 from 9:00 a.m. to 1:00 p.m. This will give sufficient time to meet the requirements for Study Course Credit for the book. New revisions of the "How To" books were published in January and may be purchased at the workshop.

MISSION ACTION - CHRISTMAS TOYS

Imagine my excitement when I walked into the room and saw the toys that our churches had so generously donated. It was overwhelming to see how the Lord had touched your hearts. There were 52 families served involving 109 children. The stamps you furnished were used to select additional toys and what fun it was shopping with the monetary contributions! I would like to take this opportunity to thank each of you who participated in any way in this project. Those who made donations, those who gave so willingly of your time. It took everyone working together to bring glory to our Lord. May 1985 be a good year as you continue to serve Him.

It was a rewarding experience for workers as well as the families involved. One unmarried mother accepted the Lord. One lady doing the witnessing had recently lost her husband in death, the husband of one young girl to whom she witnessed has cancer and she was able to relate to her. After the toys were distributed we told the parents, "we hope this will make your child have a better Christmas, but we also hope this will help you to know that someone cares, God loves you and we love you." Several left with tears in their eyes, those of us who were helping had tears too.

FROM THE MODERATOR

On January 22, at the Executive Committee meeting, our Association made a bold decision to purchase a piece of property for an office location. This has been a dream of many of our people for a number of years, and is a major step towards that reality.

The Finance Committee has begun the task of raising the needed $5,000.00 for this lot. I urge every member of our churches to encourage each church to have a part in this project. Our own office facility can be a real asset to our mission of aiding our churches to reach this area for Christ. A Building Committee has been named and their names are included in this newsletter. Please pray for them as well as our Associational staff.

EXECUTIVE COMMITTEE

The Moderator appointed the following committee members at the January 22, Executive Committee meeting.

BUILDING COMMITTEE

John Rymer, Etowah
Rick Williams, Hendersonville, 1st.
Harold Blythe, Mud Creek

It is not too early to start making plans to attend this year's Prayer Seminar. Your committee has met and is excited about the "Sweet Hour Of Prayer Seminar." It is hoped that each of you will introduce a friend to this meaningful experience. While this is WMU sponsored, it was never intended to be for members only, so bring a Christian, non-Christian, or prospect with you. FROM THE MODERATOR

Tuesday, April 23, 1985 has been a milestone for our Carolina Baptist Association. Meeting at Horse Shoe Baptist Church, the Executive Committee voted, without opposition, for proceeding with construction of our own office and resource center building when money is made available. Thanks to the hard work of our Finance Committee and the Building Committee, all questions were answered with thorough information. Having our own facility will greatly enhance the work and provide some visible identity in the community.

As we work toward the completion of this project, let us be continually challenged by our reason for existing as an Association. That is to assist the churches to do a better job of reaching people with the Gospel of Jesus Christ. Let´s pray that this will be done.

I ask of you three things: 1) Pray for the work of our Association and churches, our Associational Staff and church staffs; 2) Be available when called on to assist in the work of the Association and take seriously the programs and activities; 3) Give generously through your churches and individually that there will be enough resources to accomplish the task and mission that God has placed before us.

WHY HAVE AN ASSOCIATION

It seems appropriate to ask ourselves this question. Are we better able to accomplish our task in this community by working separately and independently as churches or can we do more working together? No doubt there is enough to do in each church to consume all the time of every member but is there an overarching principle at work which implies that we can be more effective in common causes by banding ourselves together (an Association) to accomplish those causes. If our answer is to band ourselves together, as was our forefathers when they organized the Association, we must be willing to make a commitment of ourselves. A commitment of our leadership to help us discover our common goals and plan a strategy to put forth our most effective effort. A commitment of resources to produce the means to carry out our common goals so they will not have to be duplicated 53 times in the churches.

If you feel an Association is still a valid principle, shouldn't you make some more meaningful commitments toward making it work?

Ron Pinkerton

FROM THE MODERATOR: Mervin Garrison

As exciting and busy as summers usually are it can be a very lonely and frustrating time for some folk. While kids are at camp, the relatives visiting, families vacationing, yard and garden work, and just relaxing on the long weekends; someone has to be on the job to keep the work going. My reference, of course, is to the Associational and church staffs. Every week the work must go on. Even while on vacation and "days off" the church and associational staff person is still "on call." Frequently, the financial support of our work drops in the summer months. When this happens in the churches it is also reflected in the Associational support due to the percentage giving. Coupled with low attendance it is a very lonely and frustrating time.

Let me request this of you this summer. Call your church staff members and let them know of your faithful support of the work they are doing. Do the same for the staff of the Carolina Baptist Association. Remain faithful to God with your tithes and offerings to your local church. Pray for our work here as an association and about your contribution toward the new office building and resource center. Our future holds great potential. Our personal involvement is the key.

June , 1985

Dear Friends Of The Carolina Association,

We need your "help." I have written to some of you earlier telling you about a much needed building for Shekinah Baptist Church in Keyser, West Virginia.

The people of Shekinah have taken a step of faith and have purchased the property for their church. They have neither the funds nor a qualified person to guide them in construction. That is why the Brotherhood of the Association has taken on the project of building a first unit for them. George Denton, of Denton Construction, will be supervising the construction.

We need $30,000 and twenty-five men to complete the outside and put up the inside partitions during the week of July 27 through August 2. We presently have commitments of $5,000 and approximately ten people. We will also need several women to plan for and prepare our meals. June Johnson, from the Etowah Church, is coordinating the activities of the ladies.

As you can see we are a long way from our goal. That's why we need your "help." Please help us help other Christians spread God's Word in an area that has 15,000 people of which 9,000 are unchurched, and where there is only one other Southern Baptist Church.

Our next planning meeting is in the fellowship hall of West Hendersonville Baptist Church, June 27 at 7:00 p.m. Please plan to attend.

Yours In Christ,
Charlie Hardin

We have tried very carefully to list all names as the contributions were received. However, there is always room for error. We do not want to leave off any name that should be included. We will appreciate your help in this matter.

SUN MYUNG MOON HONORARY DEGREE

FROM SHAW UNIVERSITY

The following are excerpts from a letter from **CORBIN COOPER** Director, Cooperative Ministries and Seminary Extension, Baptist State Convention, NC, regarding the honorary degree bestowed on Mr. Sun Myung Moon.

"You may not be aware that this school is not affiliated with your Baptist State Convention of NC or Southern Baptists. It is associated with the predominately black General Baptist State Convention of NC and National Baptists which are not supported by your local church. ..."

'Our only involvement with this campus has been to provide ministries to reach the students in the following ways:

. We have provided $3,000 annually to help support a teacher missionary appointed by the Home Mission Board to serve among the students.

. From time to time we have provided modest scholarships ($200-400 nnually) for selected students preparing for church related vocations. Budget limitations have virtually removed this item in recent years.

. We have purchased some books to strengthen their library. ..."

Unless one has a problem with these selected ministries, local hurch contributions do not support the school. In fairness we might oint out to inquirers that the school sends us money to support our eminary Extension program among blacks. In 1984 the school sent us 3,000 and in 1985, $4,000."

BY FAITH . . . NOT SIGHT

In the Executive Committee I shared with them that the actions we have taken would be very foolish in the eyes of the world . . . but we walk by faith not by sight.

When I came here almost six years ago, the Association had receipts of $28,000 and committed two-thirds of that to me for salary. In addition to that, there was a debt for $90,000 on the camp property. This should have been an impossible situation but it wasn't. God has blessed us!! The $90,000 debt has been paid, a swimming pool built and paid for, a new bathhouse built and paid for, many improvements made, and a Camp Manager employed full-time. Who would have dreamed we could do this?

At this Executive Committee meeting, we were again aware of how much God is doing. We heard a report from the Brotherhood of how they had raised $13,000 to build a church in Keyser, W. VA and that a group of about thirty people would leave July 27th to consturct the building.

We approved a request from the Spanish and Migrant Committee to call Rev. Rudy Aguero as a three-fourths time minister for our Spanish Mission at a salary of $12,000.

We are running $6,000 behind in our regular budget - but God's work is being done. We walk by Faith . . . not sight. This same kind of Faith has led us into a building project for our Training and Resource Center. Some will say we cannot do it, but look where we have been and what we have already accomplished. God is at work and we can accomplish our goals.

Foolishness for some . . . but for others of us it is FAITH.

Migrant Needs

Summer brings the greatest opportunity for soul winning of all the year. More than three thousand migrants come to our Association to harvest vegetables and apples. Ninety-six percent of these are unsaved.

The ministry is beginning now in some camps and the Spanish Ministry will begin August 11.

There is a need for health kits; Bibles (both Spanish and English); used clothing - mainly small work shirts, pants and jackets for men, sport clothes and jackets for ladies.

If you have clothing or would like to order the Bibles call Ruth Kearns at 692 2863.

Jesus said, "in as much as ye have done it unto one of the least of these, ye have done it unto me."

BEING AN ASSOCIATION

CHURCHES AND THEIR MINISTER

We don´t like to talk about salary increases unless it is our - do we? But we really need to think seriously about how much we pay or pastor. May I suggest that you consider the following as you review your pastor´s salary this fall:

1. Take time to develop a plan for your pastor´s salary. This is not a 10 or 15 minute item for a committee but should be discussed with the pastor and worked out to meet his needs.

2. Don´t use the pastor´s salary to punish him because a few people in the church may be upset with him. Work out problems through discussion and honest evaluation instead of hurting the pastor and family by holding back a raise.

3. **The cost for a church to have a minister is not the same as a pastor´s salary.** The church will incur costs for pastor´s travel, for conventions, for educational events, and for books if it expects to have an active, informed pastor. These are church expenses for ninistry. The pastor´s salary is what he takes home to his family to meet their needs.

Study the chart published by the State Baptist Convention on pastor´s salaries which is included in the newsletter. I will also be sending out a special copy of an Annuity Board newsletter to church leaders to help in planning for your pastor´s salary.

Ron Pinkerton

SIX WAYS TO ENCOURAGE STABLE PASTORATES AND GOOD MORALE

1. Pray with and for your pastor.
2. Respect his wisdom.
3. Demand that he take adequate time off for his personal family needs.
4. Be a pastoral friend. Fight for adequate salary. Defend the position, but love the person.
5. Make a strong and fi commitment to Jesus Christ and faithful and consistent in t use of the spiritual gifts G has given you.
6. Relax and be natural wi your pastor.

FROM THE MODERATOR

God´s hand is very much at work here in our Carolina Baptist Association. It may be in a mysterious way, but it still happens. I am hearing good reports of great things happening. The Spanish services in the Migrant Ministry are developing into a strong opportunity of reaching many people we depend on for the economy of our area. Lives are being claimed for Christ through the weeks of camp at Bearwalla. Not only campers, but also the counselors, grow spiritually. Volunteers are serving and planning to serve in mission projects around the world. Youth groups are growing, senior citizens are busy, and individuals are sharing their faith in unique ways. These ministries are seldom made known and many fail to show in the annual statistics. To those of you who are ministering in these or other ways, be assured that your labor is not in vain. As God calls us into his service, let us be faithful, obedient, and expectant that God´s Holy Spirit will work through our lives and His name will be glorified.

Mervin Garrison, Moderator

Super September 8.5 by '85

Is your Sunday School simply "existing"? Are you dissatisfied with a stagnant and declining attendance in all areas of your church's life? Let me ask you, pastor, minister of education, Sunday School director-do you love your church, your department, your class? Do you love each individual as Jesus does? Do you love your lost friend? Do you love that prospect? Do you love that indifferent person as He would?

Our World needs the gospel as it has always needed it. There never has been a day when people who did not believe. In the United States today most Authorities believe that there are between 100 and 150 million people who are not Christians. If this is true, or even close to being true, what a challenge and responsibility is ours.

Who will take the gospel to people who need it? ***The Church must.*** This is the church's mission. We are to go, to make disciples, to baptize, to teach, to obey.

Of course, the concept of outreach originated in the mind and heart of God Himself. It is a theme that runs throughout the Bible; a purpose that brought Jesus into the world; a hearthrob that characterizes Christianity. It is, the fact, the mark of a spiritually vital church. But, it is more; going and sharing are evidence of our commitment to Christ, our response to a needy world.

How, then, are we going to reach these people for Christ? ***I believe with all my heart that the Sunday School is the finest outreach arm the church has.*** It is the strategic reaching arm of the evangelistic church. But, if we are going to seriously consider our Lord's Commission and respond with a sense of deep commitment, we are going to have to see the world through God's eyes. We are going to have to do more than ***hear*** His Commission; we will have to ***obey*** the command of our Lord.

With all my heart I believe obeying the Great Commission is what Sunday School is about.

I believe God has called every Pastor in the Carolina Association to grow a "great" church. It has been said by some of the most influencial pastors: ***"Grow a Great Sunday School and you will have no problem growing a Great Church."*** Pastor's I encourage you to evaluate your Sunday School. If some of your church members have stole your dreams about growing a "great" church, make a new commitment

ASSOCIATIONAL BUDGET BEHIND

The Finance Committee would like for you to be aware of our financial condition as we approach the end of the year. Although the contributions from the churches are slightly ahead of last year, we are still behind our adopted budget by $18,000. We have had to use $4,000 from designated funds (NOT CAMP FUNDS) to meet the general budget expenses. We are also behind $1,250 (5 mo.) in rent, $1,265 (5 mo.) in Director of Missions' Annuity, $250 (2 mo.) in Director of Camp's Annuity, $631.05 (3 mo.) in Director of Missions' Insurance, $372.80 (2 mo.) in Director of Camp's Insurance and $376.11 for materials from the Sunday School Board.

We hope your church will consider:

1. The possibility of a special gift to the general budget

2. The possibility of increasing your gifts to the Association

We appreciate your support in the past and know you will continue to work with us as our Association grows.

TRAINING & RESOURCE CENTER BUILDING PROGRESS REPORT

Construction is underway!!! The bulldozer work has been done and footings have been poured. The next stage is the block work and framing. Because of the uncertainty of weather and the limited working days, the Building Committee will try to subcontract this work so we can get the building under roof before the severe weather which usually comes in January.

"BUYING A SQUARE FOOT"

FOR SALE

4000 SQ FT
$50 EACH

GIVES

EVERYONE THE OPPORTUNITY

TO HAVE A PART IN BUILDING

OUR

TRAINING & RESOURCE CENTER

"BEING

AN

ASSOCIATION"

We are entering into the most important phase of our Training and Resource building program. Construction has started and the roof is on the building, and this is exciting, but we have used up our funds. We will stop construction at this point until we can raise more funds.

Our Fund Raising Committee has come up with a plan for all of us to have a part in building our Training and Resource Center. The plan is called **"BUY A SQUARE FOOT."** For $50.00 you can contribute enough for a furnished square foot of our building. We hope you will buy one or more square feet.

We are urging churches to participate in this project from March 16th. to May 18th. A person can give five ($5.00) a week, over and above his tithe, for 10 weeks and purchase a square foot.

The person buying a square foot will have his or her name put on a large board and be given a certificate. We will also have a special celebration prior to the dedication of the building for those contributing.

Help us get everyone involved in this effort. If we can get 4000 to participate, we can dedicate our building "debt free" this summer. Since only a small number get this newsletter, we must count on you to help get your church involved. Urge your church to set a goal of the number of square feet they would like to buy. Encourage everyone to buy at least a square foot.

GOOD NEWS AMERICA, GOD LOVES YOU.

Spring, 1986 has been set as the time for GOOD NEWS AMERICA, GOD LOVES YOU SIMULTANEOUS REVIVALS in all Southern Baptist Churches. April 6 - 13 has been set as the dates for the GOOD NEWS AMERICA, GOD LOVES YOU SIMULTANEOUS REVIVALS in Carolina Baptist Association. Good News Bibles are available in the Associational office for those needing them. The following churches plan to participate: Bearwallow, Ebenezer, Fruitland, French Broad, Hendersonville First and Mt. Moriah.

KEYS TO SUCCESS

TOGETHERNESS

Imagine fourteen million Southern Baptists united in sharing the good news of Jesus Christ. Each person is a vital part of this urgent adventure.

PRAYER

God wants the lost to be saved (II Peter 3:9), but he waits on the prayers of his people to give revival.

FAITH

God is a big God - his power and compassion are not limited. God is pleased when we try big things for him.

WORK

During the Evangelistic People Search, lost people were discovered. These non-Christians must be cultivated now. Don´t wait, visit them. Share the Gospel with them and get them to the revival meeting.

FOLLOW-UP

Discipling new Christians until they are equipped to witness is a must if Christ´s commission is to be fulfilled.

YOU ARE THE KEY

Good News America will succeed or fail, depending upon your prayers and participation. Other churches in your area will be engaged in this same glorious task. Lend your full cooperation.

ASSOCIATIONAL CHRISTMAS TOY PROJECT

Because of the guidance of the Lord, the Associational Toy Project was a tremendous success! We were able to give 3 toys apiece to 106 children and 2 toys apiece to 8 babies. We also provided New Testaments for each family and gave Christian testimony to each parent, resulting in 3 decisions for the Lord and 2 rededications.

Thank all of you who donated toys, money, stamps, and your time to help distribute toys or give your Christian testimony. To God be the glory, because He was truly in charge of this project

MENTAL RETARDATION SUNDAY

Each March, churches all over our nation designate one Sunday as Mental Retardation Sunday. This Sunday is set aside to focus on the needs and abilities of persons with mental retardation and their families. Mental retardation limits their learning abilities, but not their need to know God and to experience God's love for them. What is your church doing for those with mental retardation? Take time to consider how you can minister to this often neglected group. For more information about ministries with persons with mental retardation, contact: Special Ministries Department, Baptist State Convention, P.O. Box 1107, Cary, NC 27511-1107.

from The Moderator

GOOD NEWS AMERICA, GOD LOVES YOU. If there has ever been a generation that needs to hear this message, surely it´s now. If there has ever been a time in the life of our churches that we need to awaken to the task of proclaiming the Gospel, it is now. I am aware that many of our churches have not voted to be a part of this simultaneous revival effort that has been planned and promoted for more than two years. It may be too late to follow all the suggested preparation, but I believe every church in our association can still have revival during this time. If you don´t know about the plans in your church, ask the pastor. Let´s all commit our energies to the Lord and pray that Henderson County and Carolina Baptist Association will experience Revival this Spring.

Mervin J. Garrison

First Week

BEING AN ASSOCIATION

Our Fund Raising Campaign is off to a good start. The first week we have a report from 17 churches and received enough money for 15 Square Feet.

It is harder for us to see the needs of associational work since it is beyond our church, but the needs are very real. A video cassett has been prepared to help show the needs of the Association. Th program is 18 minutes, so please try to schedule it in your church a soon as possible.

Because it is hard to see the needs of the Association, it will be hard to reach our goal of selling 4,000 Square Feet. Hard - but possible if we each work to involve ourselves and others. It will mean there will have to be some sacrifice individually and a churches.

One of our churches with less than 20 in Sunday School, sent in money for 6 Square Feet. I talked to a lady beyond retirement age, still working to support herself, who is buying 2 Square Feet. She said, "You need two feet to stand on," so she is buying 2 Square Feet.

With this kind of commitment and sacrifice, we can reach our goal and lift up the Lord's work.

SENIOR ADULT RALLY

"Fulfillment of HIS Purpose" wil be the theme of the Senior Adul Rally at Mars Hill College o Thursday, Aril 17.

RUTH KEARNS HONORED

Iembers and workers of the panish Mission planned a urprise dinner Tuesday, March 18 t the Spanish Mission to honor uth Kearns, who will be moving o Clemson, South Carolina soon. pproximately 75 people attended, oth Spanish and English. Rev. udy Aguero, Spanish pastor, resented Ruth with a card of ppreciation, signed by those who ttended. A tribute to Ruth for er work with the Spanish was iven by Vincente Zepeda, who poke in Spanish, but his loving xpression, when he addressed uth, was understood by all. aun Juarez gave a glowing ribute to her love and aithfulness in keeping on coming ack to visit and invite him to ervices and not giving up, even hen there were only two coming Bible study. He attributed his cceptance of Christ to her aithfulness in witnessing to m. A special choir led by Rudy guero, with his guitar, resented several Spanish oruses which they had practiced pecially for this occassion. n Pinkerton presented a plaque appreciation for Ruth's work Carolina Baptist Association. said, "Ruth has been a emendous asset in working with e migrants during the summer, tting the Spanish Mission arted, and getting Pastor Rudy uero, Eva and Israel, on the field. Ruth is an excellent example of a good leader; she sees the need and takes the iniatitive to put the pieces together to accomplish it. She will be missed in all areas of our Association. We wish for her and Leslie the very best as they establish a new home."

Mauricio Vargas, Language Missions, Baptist State Convention, presented a plaque, in the shape of North Carolina, in recognition of the work she had done with the Migrant ministry and the Spanish Mission. He spoke of her dreams and plans of a work with the migrants, a Spanish minister, and a Spanish Mission. All these have become realities. He credited a great part of the success of these dreams to her untiring efforts.

Ruth says she can leave happy in her heart that there is a Spanish pastor and a Spanish Mission, which she believes will soon be a Spanish Church. She believes God has great plans for the Spanish ministry in Carolina Baptist Association, and that now with the Spanish Mission and a Spanish pastor, they will be able to minister to the migrants who come in the summer.

The entire evening was a fitting tribute to a great lady.

MISSIONS FAIR A SUCCESS

Eighty-six people, representing thirteen churches of Carolina Baptist Association, attended the second annual Missions Fair on February 16 at the Ebenezer Baptist Church fellowship hall.

Sponsored by the WMU Executive Council, the Fair allowed participants to meet the various age level and activity directors of the Council and to discuss available materials and to share ideas with others attending.

Using the WMU Centennial colors as a background, displays planned by each director ranged from 1880's clothing to flags and foods of other countries with the main emphasis, however, on the availability of materials for the local church missions director.

NC STATE WMU ANNUAL SESSION

Centennial Celebration will be the emphasis for both the state and local annual meetings.

At the opening session of the State WMU on Thursday night, April 17, volunteers participating in the flag processional will dress in 1886 clothing and will close the session dressed in 1986 as they retire the flags on Saturday morning

Dates for the State WMU Annual meeting are April 17-19.

Several people are now buying their second and third **"Square Feet."** Some who have been waiting until other projects are out of the way, are now ready to take part. Because of this, let´s move ahead, the best is yet to come. Let´s take the black out of the circle below in the next five weeks.

FROM THE MODERATOR

The Executive Committee meeting of our association at Balfour Baptist Church on July 29th. was surely a highlight of the year and could very well be remembered as one of the most important in recent years. The attendance was good, the spirit was high, and the business was conducted with hopeful anticipation.

Thre were two highlights in the business in addition to the informative reports:

1) The Finance Committee recommended we secure a loan to finish our new building. This loan will be "secured only after enough churches have responded to the 1% increase to ensure the meeting of the budget and the payment of the loan." Our new building's completion will come soon with our continued support of the associational work.

2) A three year planning of our priorities was adopted. These goals were measurable and will serve to guide our progress and future work.

I know there are many voices that vie for our attention in these days. I pray that we will continue to give our strength and energies to those things that will bind us together in the name of our Lord and Savior Jesus Christ. Pray for the Carolina Baptist Association and the churches of our community.

Mervin J. Garrison, Moderator

WOMAN'S MISSIONARY UNION NEWS

What a tremendous week I had the privilege of spending at Camp Bearwalla during R.A.-G.A. Missions Camp. It was really super working with the staff and the children. It would be my prayer that parents would start now planning to send their children to camp next year. The Lord really worked in the hearts of everyone.

I hope that all of the WMU leaders are planning to come to the Leadership Workshop September 11th. at 6:30 p.m., East Flat Rock First Baptist Church. By now the Directors have received a communication regarding the Volunteer Room at our new Resource and Training Center. It is hoped that we will be busy about this project so that the furnishings will be available when the building is. Another project we are working on is the Talc Powder for ladies in the Women's Prison in Raleigh. We have participated in the project for 6/7 years now and the items are always appreciated.

It is time to begin thinking about our "Christmas Toy" program. As you will recall the giving of a Christmas toy for a child is coupled with the witness to the parent and the gift of a Bible. Begin now collecting toys, and Green Stamps as well as monies. These should be turned in to the Associational Office.

A teaching team will be available to teach the Foreign Mission Graded Series. To schedule this team - Wanda Love, Jeanette Ballew and Jean Adams - call Wanda at 891-7167 after 6:00 p.m..

There are so many ways t glorify God. We hope that each church will participate in these activities. It is such a joy when we work together. Later this year we will be asking for people to help with distribution of the toys and to work with the personal witnessing. Be in prayer about what the Lord would have you do in this area.

If your church does not have Centennial Chairman, please elect one. There are big things ahead for us next year. If you had a chairman this year perhaps she will serve in this same position.

May the Lord continue to bles you as we truly are "Laborer together with God;"
Barbara Jean Connell, WM
Director
